

# STANDARD LINE NYLON RIFLE BORE BRUSHES - BROWNELLS

## STANDARD LINE BRUSH, NYLON, 8MM RIFLE, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

### Solvent Resisting Nylon

Since darn near as many bore brushes get used in the shop as get sold, we've packed these custom-made, top quality brushes in bulk paks to make them more convenient and less expensive. The shank is one-piece, looped and wound (not two, twisted together and chopped off). Nylon Bore Brush - New generation bore cleaners attack copper and bronze-based bullet jacket fouling aggressively and are just as hard on bronze cleaning brushes. Our nylon brushes stand up to these super cleaners and won't cause accuracy-ruining scratches. One-piece, looped and wound steel shanks (except Black Powder (BP) series, .17 caliber, and .20 caliber, which have brass shanks). SPECS: Bristles: Available in nylon. Shank: Steel, looped and wound. Overall length: 3.27" (8.3cm) Threads: .17 and .20 caliber 5-40 threads, all others 8-32 thread.

# Safety Instruction Guide for STANDARD LINE NYLON RIFLE BORE BRUSHES

## Introduction

Thank you for choosing the STANDARD LINE NYLON RIFLE BORE BRUSHES by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the following information carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use in accordance with EU regulations. Please follow all instructions to minimize risks.
- **Hazard Identification:** Potential hazards include:
  - Injury from improper use or handling.
  - Damage to the firearm if the bore brush is not used correctly.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** Ensure that you purchase this product from reputable online platforms that comply with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the EU contact points available for consumer products.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on unsafe products and recalls.

## Specific Safety Precautions for Use

- **Read the Instructions:** Always read and understand the instructions before using the bore brushes.
- **Inspect Before Use:** Check the brushes for any damage or wear before use. Do not use if damaged.
- **Proper Handling:** Handle the brushes with care to avoid injury. Do not use excessive force while cleaning.
- **Use Appropriate Caliber:** Ensure that you are using the correct bore brush size for your firearm caliber.
- **Avoid Contact with Eyes:** Do not allow bristles to come into contact with your eyes. Use safety goggles if necessary.
- **Store Safely:** Store the brushes in a safe location away from children and pets.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the firearm is unloaded and safe to handle.
2. Select the appropriate bore brush size for your firearm caliber.
3. Attach the bore brush to a cleaning rod that is compatible with the brush threads.

### • Usage:

1. Insert the bore brush into the barrel from the breech end if possible.
2. Use a smooth, steady motion to push the brush through the barrel.
3. Pull the brush back without twisting to avoid damaging the rifling.
4. Repeat the process as necessary to remove fouling.
5. Clean the brush after use and store it properly.

## Disposal Instructions

- **Disposal of Used Brushes:** Dispose of used bore brushes in accordance with local waste disposal regulations.
- **Recycling:** Check if the materials can be recycled. Follow local guidelines for recycling metal and plastic products.

## Contact Information for Further Support

For further assistance or inquiries regarding the STANDARD LINE NYLON RIFLE BORE BRUSHES, please refer to the appropriate EU contact points for consumer products.

By following these guidelines, you can ensure a safe and effective experience with your STANDARD LINE NYLON RIFLE BORE BRUSHES. Thank you for your attention to safety and proper usage.
