# Safety Instruction Guide for 12 Gauge DoubleUp Brush & Mop Cleaning System

## Introduction

Thank you for choosing the 12 Gauge DoubleUp Brush & Mop Cleaning System by Brownells. This product is designed to provide effective cleaning for your 12 gauge shotguns. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is cleaning 12 gauge shotguns.
- Always handle cleaning tools with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before cleaning.
- Use the product in a wellventilated area to avoid inhaling any cleaning residues.
- Avoid using excessive force when cleaning to prevent damage to the shotgun or the cleaning tools.
- Do not use the cleaning system on any other caliber or type of firearm.
- Store the product in a cool, dry place away from direct sunlight.

## Instructions for Installation and Usage

### 1. Preparation:

- Before using the cleaning system, ensure that your shotgun is completely unloaded and safe to clean.
- Gather all necessary materials, including the cleaning system components: one brush (bronze or nylon) and one mop.

### 2. Assembly:

- Select the desired brush (bronze or nylon) and attach it to the mop by screwing them together securely.
- Ensure that the threads are aligned correctly to avoid crossthreading.

### 3. Cleaning Process:

- Insert the assembled cleaning system into the bore of the shotgun.
- Gently pull the cleaning system through the bore, allowing the mop to absorb any residue while the brush scrubs the bore.
- Repeat the process as necessary, depending on the level of fouling.

### 4. PostCleaning:

- After cleaning, disassemble the brush and mop.
- Rinse the mop and brush under running water to remove any cleaning residues.
- Allow the components to dry completely before storing.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check for local disposal guidelines for hazardous waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact the designated EUbased support center.

By following these guidelines, you can ensure the safe and effective use of the 12 Gauge DoubleUp Brush & Mop Cleaning System. Thank you for prioritizing safety while enjoying your shotgun cleaning experience.
