Safety Instruction Guide for 12 Gauge DoubleUp Brush & Mop Cleaning System

Introduction

Thank you for choosing the 12 Gauge DoubleUp Brush & Mop Cleaning System by Brownells. This dualaction cleaning system is designed to provide efficient and thorough cleaning for your 12 gauge shotguns. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product as intended and in accordance with the instructions provided.
- Ensure that the cleaning system is used in a wellventilated area to avoid inhalation of dust or debris.
- Keep the cleaning system out of reach of children and pets to prevent accidental injury or misuse.
- Regularly inspect the cleaning components for wear or damage before use. Do not use damaged components.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification**:

  - Potential for eye injury from flying debris when using the bore brush.
  - Risk of injury from sharp edges on the cleaning components.

- **Avoiding Hazards**:

  - Always wear safety goggles when using the cleaning system.
  - Handle the bore brush with care to avoid cuts or scratches.
  - Ensure that the shotgun is unloaded and pointed in a safe direction before cleaning.

- **Age Restrictions**:

  - This product is not suitable for children under the age of 18. Adult supervision is recommended when used by younger individuals.

Instructions for Installation and Usage

1. **Assembly**:

   - Screw the bore mop and bore brush together securely before use.
   - Ensure that the connection is tight to prevent disassembly during cleaning.

2. **Usage**:

   - Insert the assembled cleaning system into the shotgun bore.
   - Pull the cleaning system through the bore in a single motion, applying even pressure.
   - Repeat the process as necessary, depending on the level of fouling in the bore.

3. **PostUse Care**:

   - After cleaning, disassemble the components and rinse them with warm water to remove any

residue.
- Allow the components to dry completely before storing them.

Disposal Instructions

- Dispose of any worn or damaged cleaning components in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local recycling programs for metal and textile materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please contact the manufacturer or your local authorized dealer. Ensure to have the product information and any relevant details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your 12 Gauge DoubleUp Brush & Mop Cleaning System. Thank you for your attention to safety.
