

37/40MM DOUBLE-UP BRUSH & MOP - BROWNELLS DOUBLE-UP MOPS, COTTON, 37/40MM, 3 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Brush & Mop Combos](#)

One-Step Cleaning For Grenade & Tear Gas Launchers

Super-absorbent cotton mop couples with tough, bronze and/or nylon brushes to clean a grenade launcher or tear gas tube in one easy step. The mop and both brushes have durable, aluminum, male and female couplers that let them attach to each other, in any order, so you can develop custom combinations to suit your specific cleaning needs. Sold in 3-Paks or 12-Paks.

Safety Instruction Guide for 37/40MM DOUBLEUP BRUSH & MOP

Introduction

Thank you for choosing the 37/40MM DoubleUp Brush & Mop by Brownells. This product is designed to provide effective cleaning solutions for 37mm and 40mm launcher tubes. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that all users read and understand these safety guidelines before using the product.
- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The brushes may have sharp edges; handle with care.
- The aluminum couplings can be sharp; avoid direct contact with skin.
- Ensure the cleaning area is wellventilated to avoid inhalation of dust or debris.

- **Avoiding Hazards:**

- Do not use the product near open flames or heat sources.
- Do not modify or alter the product in any way.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using the product.
- Ensure that the cleaning area is stable and free from any tripping hazards.

Instructions for Installation and Usage

- **Installation:**

1. Select the desired brush or mop for your cleaning task.
2. Align the male coupling of the brush or mop with the female coupling of your cleaning rod or handle.
3. Push together firmly until you hear a click, indicating a secure connection.
4. Repeat the process for any additional attachments.

- **Usage:**

1. Begin by ensuring that the launcher tube is empty and cool to the touch.
2. Insert the brush or mop into the launcher tube.
3. Use a twisting motion to clean the interior surfaces thoroughly.
4. Withdraw the brush or mop slowly to avoid any debris from falling back into the tube.
5. Clean the brush or mop after each use to maintain hygiene and effectiveness.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in household waste if it is deemed hazardous.
- Separate any recyclable materials, such as aluminum couplings, and place them in designated recycling bins.

Contact Information for Further Support

For any questions or concerns regarding the product or safety instructions, please refer to the manufacturer's website or customer service for assistance. It is important that you have access to support if needed.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with the 37/40MM DoubleUp Brush & Mop. Thank you for your attention to these important safety measures.
