

# COTTON BORE MOPS - COTTON BORE MOP 20 GAUGE 12 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Pure, Natural

Cotton fibers really soak up cleaning solvents and oil. The natural scrubbing action of cotton helps remove loosened powder fouling. Great for applying Brownells Moly Bore Paste or J-B® Compound.

# COTTON BORE MOPS Safety Instruction Guide

## Introduction

Thank you for choosing the COTTON BORE MOP 20 GAUGE 12 PACK. This product is designed to assist in the cleaning and maintenance of firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and follow all safety regulations.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before use.
- Dispose of any damaged products immediately.
- Be aware of your surroundings and ensure a safe cleaning environment.

## Specific Safety Precautions for Use

- Use only in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- Do not use the mop with flammable substances or in areas with open flames.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not ingest any part of the product or cleaning solvents.
- Ensure the firearm is unloaded before cleaning.
- Follow the manufacturer's instructions for any cleaning solvents used in conjunction with the mop.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the COTTON BORE MOP and appropriate cleaning solvents.

### 2. Attaching the Mop:

- Select the appropriate bore mop size according to your firearm's caliber:
  - .17 & .20 cal.: Brass shank and coupling, 3 $\frac{1}{4}$ " long, 540 thread.
  - .22.45 cal.: Steel shank, aluminum coupling, 2 $\frac{7}{8}$ " long, 832 thread.
  - .50 cal.: Brass shank and coupling, 3 $\frac{1}{4}$ " long, 832 thread.
  - Shotgun: Steel shank, aluminum coupling, 2 $\frac{7}{8}$ " long, 5/16"27 thread.
- Attach the bore mop to the cleaning rod securely.

### 3. Cleaning Process:

- Apply a suitable cleaning solvent to the cotton fibers of the mop.
- Insert the mop into the bore of the firearm gently, ensuring it fits snugly.
- Pull the mop through the bore slowly and steadily to allow for effective cleaning.
- Repeat as necessary, depending on the level of fouling.

### 4. PostCleaning:

- After cleaning, inspect the bore mop for any signs of damage or excessive wear.
- Clean the mop according to the manufacturer's instructions if reusable.

- Store the mop in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of any damaged or worn bore mops in accordance with local waste disposal regulations.
- If using cleaning solvents, ensure they are disposed of properly according to local environmental guidelines.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please consult the manufacturer's contact resources. Ensure you have the product details available for reference.

By adhering to these safety instructions, you can ensure a safe and effective cleaning experience with your COTTON BORE MOP. Thank you for your attention to safety, and enjoy using your product responsibly.
