

COTTON BORE MOPS - BROWNELLS COTTON BORE MOP 410 BORE 12 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Pure, Natural

Cotton fibers really soak up cleaning solvents and oil. The natural scrubbing action of cotton helps remove loosened powder fouling. Great for applying Brownells Moly Bore Paste or J-B® Compound.

Safety Instruction Guide for COTTON BORE MOPS BROWNELLS 410 BORE COTTON BORE MOP 12/PACK

Introduction

Thank you for choosing the COTTON BORE MOPS BROWNELLS 410 BORE COTTON BORE MOP. This product is designed for effective cleaning of firearm bores. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product for any purpose other than its intended use.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Follow all local laws and regulations regarding the use and cleaning of firearms.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cotton bore mop.
- Use the cotton bore mop in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling cleaning solvents and oils.
- Do not apply excessive force when using the cotton bore mop to prevent damage to the firearm or the mop itself.
- Dispose of used cleaning materials responsibly, following local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather your cleaning solvents and oils, as well as the cotton bore mop.

2. Attachment:

- For .17 & .20 caliber, attach the cotton bore mop to the brass shank and coupling.
- For .22.45 caliber, attach the cotton bore mop to the steel shank and aluminum coupling.
- For .50 caliber, use the brass shank and coupling.
- For shotguns, use the steel shank and aluminum coupling.

3. Cleaning Process:

- Apply the cleaning solvent or oil to the cotton bore mop.
- Insert the mop into the bore of the firearm gently.
- Pull the mop through the bore several times to ensure thorough cleaning.
- Repeat the process as necessary, applying more solvent or oil as needed.

4. PostCleaning:

- After cleaning, ensure that the firearm is properly dried and lubricated as per the manufacturer's recommendations.
- Store the cotton bore mop in a safe location.

Disposal Instructions

- Dispose of used cotton bore mops and cleaning materials according to local waste disposal regulations.
- Do not dispose of these materials in regular household waste if they contain hazardous substances.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Your safety and the effective use of this product are our top priorities.
