

# CHAMBER MOP FOR AR-15/M16 - BROWNELLS AR-15/M16 WOOL CHAMBER MOP 223 REMINGTON 8-32M 12 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

## Distributes Lubricants & Rids Fouling; Same Shape As Popular, Military Chamber Brush

Unique, dual-purpose design cleans and lubricates both the chamber and locking lug recesses of your M16 or AR-15 with one mop. Long, skinny portion reaches the chamber with individually-tied, cotton strands that do the work of a thousand tiny fingers. Short, large-diameter section cleans and lubricates locking lug recesses.

# Safety Instruction Guide for CHAMBER MOP FOR AR15/M16

## Introduction

Thank you for choosing the CHAMBER MOP FOR AR15/M16 by BROWNELLS. This product is designed to effectively clean and lubricate the chamber and locking lug recesses of your AR15 or M16. To ensure safe and effective use, please read and follow the safety instructions and guidelines outlined in this document.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product text.
- Always handle firearms with care and follow all safety protocols associated with firearm cleaning and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before use. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the CHAMBER MOP only when the firearm is completely unloaded.
- Always wear appropriate safety gear, including eye protection, when cleaning firearms.
- Avoid using excessive force when cleaning, as this may damage the mop or the firearm.
- Do not use the mop with any cleaning solvents or lubricants that are not recommended by the firearm manufacturer.
- Ensure that the area where you are cleaning your firearm is wellventilated.
- Dispose of used mops in accordance with local waste disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the CHAMBER MOP, cleaning solvent, and lubricant.

### 2. Using the CHAMBER MOP

- Attach the CHAMBER MOP to a compatible cleaning rod (832 threads).
- Insert the long, skinny portion of the mop into the chamber of the firearm.
- Gently rotate the mop to clean the chamber area, allowing the cotton strands to reach all surfaces.
- For cleaning locking lug recesses, use the short, largediameter section of the mop.
- After cleaning, apply a suitable lubricant as recommended by the firearm manufacturer.

### 3. PostCleaning

- Carefully remove the mop from the chamber.
- Inspect the mop for any signs of wear or damage before storing.
- Store the CHAMBER MOP in a dry, cool place away from children.

## **Disposal Instructions**

- Dispose of used CHAMBER MOPs in accordance with local regulations for textile waste.
- Do not incinerate or compost the mops, as they may contain residues from cleaning solvents or lubricants.

## **Contact Information for Further Support**

For any questions or concerns regarding the CHAMBER MOP FOR AR15/M16, please refer to the manufacturer's contact information found on the packaging or product documentation.

Thank you for prioritizing safety and responsible use. Enjoy your cleaning experience with the CHAMBER MOP!
