

# **HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES - BROWNELLS**

## **HEAVY WEIGHT BRUSH, NYLON, 20 GAUGE SHOTGUN, 3 PACK**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Super-aggressive, nylon brush makes short work of stubborn bore deposits.

Extra-stiff, large diameter bristles are safe on rifling and smoothbore surfaces.

Won't deteriorate when used with your favorite solvent. Strong, one-piece, looped and wound brass shank and coupling prevents scratching. SPECS:

Bristles: Heavy weight (HW) nylon. Shank: Brass, looped and wound. Overall

Length: 2 7/8" (7.3cm) Thread: 5/16"-27 male

# Safety Instruction Guide for HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES

## Introduction

Thank you for choosing the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES by BROWNELLS. This product is designed to effectively clean shotgun bores while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Use the product in a wellventilated area to avoid inhalation of any cleaning solvents.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using cleaning solvents.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury from sharp edges or bristles.
- Risk of irritation from cleaning solvents.

### • To Avoid Hazards:

- Handle the brush with care to avoid injury.
- Do not use excessive force when cleaning; let the brush do the work.
- Always follow the manufacturer's instructions for any solvents used in conjunction with the brush.
- Ensure that the area is free of flammable materials when using solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSH, cleaning solvent, and any additional cleaning tools you may need.

### 2. Using the Bore Brush:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Attach the bore brush to a cleaning rod, ensuring it is securely fastened.
- Apply a small amount of cleaning solvent to the bristles of the brush.
- Insert the brush into the shotgun bore and gently push it through the barrel. Do not force the brush; let it move freely.
- Pull the brush back out of the barrel and repeat as necessary until the bore is clean.
- After use, clean the brush with solvent and store it in a dry place.

### 3. PostUse Care:

- Inspect the brush for any damage after use and replace if necessary.
- Dispose of any used cleaning solvents according to local regulations.

## **Disposal Instructions**

- Dispose of the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES in accordance with local waste disposal regulations.
- Ensure that any cleaning solvents used are disposed of properly, following local environmental guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please contact your local distributor or the manufacturer directly. Ensure you have your product details on hand for reference.

Thank you for your attention to these safety guidelines. Proper use and care of your HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES will enhance your cleaning experience and ensure safety for you and others.
