

# HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES - BROWNELLS HEAVY WEIGHT BRUSH, NYLON, .410 BORE SHOTGUN, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Super-aggressive, nylon brush makes short work of stubborn bore deposits. Extra-stiff, large diameter bristles are safe on rifling and smoothbore surfaces. Won't deteriorate when used with your favorite solvent. Strong, one-piece, looped and wound brass shank and coupling prevents scratching. SPECS: Bristles: Heavy weight (HW) nylon. Shank: Brass, looped and wound. Overall Length: 2 7/8" (7.3cm) Thread: 5/16"-27 male

# Safety Instruction Guide for HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES

## Introduction

Thank you for choosing the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES from BROWNELLS. This guide provides essential safety instructions to ensure the proper use and handling of your bore brushes. Please read this document carefully to ensure safe and effective usage.

## General Safety Guidelines

- Ensure that you are familiar with the product and its intended use before handling.
- Always store the bore brushes in a safe place, out of reach of children.
- Inspect the brushes for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and care.
- Stay informed about product recalls and safety notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the bore brushes only for cleaning shotgun bores. Do not use for any other purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using cleaning products or tools.
- Avoid using excessive force when cleaning to prevent damage to the bore or the brush.
- Do not use the brushes with solvents that are not compatible with nylon.
- Ensure that the area is wellventilated when using solvents or cleaning agents.
- Keep the brushes away from heat sources and open flames.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the bore brushes, cleaning solvent, and PPE.
- Ensure that the shotgun is unloaded and pointed in a safe direction.

### 2. Attaching the Brush:

- Insert the brass shank of the bore brush into the cleaning rod.
- Ensure that it is securely fastened to prevent detachment during use.

### 3. Cleaning Process:

- Apply your preferred solvent to the bore brush.
- Insert the brush into the shotgun bore gently, ensuring not to force it.
- Rotate the brush as you move it back and forth to effectively clean the bore.
- Repeat the process as necessary, depending on the level of deposits.

### 4. PostCleaning:

- Remove the brush from the bore and clean it with warm water if necessary.
- Allow the brush to dry completely before storage to prevent deterioration.

## **Disposal Instructions**

- Dispose of any used cleaning solvents and materials according to local environmental regulations.
- Do not dispose of the bore brushes in regular household waste if they are damaged. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES, please refer to the EU contact points as required by safety regulations. Stay informed about safety updates and product recalls through the EU Safety Gate platform.

By following these safety instructions, you help ensure a safe and effective cleaning experience with your HEAVY WEIGHT NYLON SHOTGUN BORE BRUSHES. Thank you for your attention to safety!
