

HEAVY WEIGHT NYLON HANDGUN BORE BRUSHES - HEAVY WEIGHT BRUSH, NYLON, .50 CALIBER PISTOL, 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough On Crud, Easy On Barrels

Super-aggressive, nylon brush makes short work of stubborn bore deposits. Extra-stiff, large diameter bristles are safe on rifling and smoothbore surfaces. Won't deteriorate when used with your favorite solvent. Strong, one-piece, looped and wound brass shank and coupling prevents scratching. SPECS: Bristles: Heavy weight (HW) nylon. Shank: Brass, looped and wound. Overall Length: 2 1/8" (5.4cm) Thread: 8-32 male

Safety Instruction Guide for HEAVY WEIGHT NYLON HANDGUN BORE BRUSHES

Introduction

Thank you for choosing the HEAVY WEIGHT NYLON HANDGUN BORE BRUSHES. This guide provides essential safety instructions and precautions to ensure safe and effective use of the product. Please read this guide carefully to understand how to handle and use the bore brushes safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the bore brush before use for any signs of damage or wear.
- Use the bore brush in a wellventilated area to avoid inhaling any dust or particles.
- Always follow the manufacturer's instructions when using cleaning solvents.

Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris while cleaning your firearm.
- Use gloves to prevent skin irritation from cleaning solvents.
- Do not use the bore brush on a hot barrel, as this may cause damage to the brush or the firearm.
- Avoid applying excessive force while using the brush to prevent damage to the rifling or smoothbore surfaces.
- Do not leave the brush in contact with solvents for extended periods to avoid deterioration.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning solvent, and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod by screwing it onto the threaded end (832 male).
- Ensure the brush is securely fastened before use.

3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the brush into the barrel from the chamber end, if applicable.
- Use a smooth, steady motion to push the brush through the barrel and pull it back out.
- Repeat the process as necessary until the bore is clean.
- Dispose of any used cleaning materials according to local regulations.

Disposal Instructions

- Dispose of the bore brush in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Contact your local waste disposal authority for guidance on the proper disposal of cleaning solvents and materials.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective cleaning experience with your HEAVY WEIGHT NYLON HANDGUN BORE BRUSHES. Thank you for your attention to safety!
