# SHOTGUN CHAMBER BRUSH SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the SHOTGUN CHAMBER BRUSH, BRONZE, 20 GAUGE, 832 THREAD, 12 PACK. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before cleaning or maintenance.
- Keep the brush out of reach of children and vulnerable individuals.
- Inspect the brush for any damage before use; do not use if damaged.
- Use the brush only for its intended purpose – cleaning shotgun chambers.
- Avoid using excessive force during cleaning to prevent damage to the brush or firearm.
- Store the brush in a dry place to prevent corrosion or damage.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Wear safety goggles to protect your eyes from debris during cleaning.
- Use gloves if you are sensitive to cleaning solvents or chemicals.
- Ensure adequate ventilation when using cleaning solvents.
- Do not use the brush with any chemicals that are not specifically designed for firearm cleaning.
- Keep the cleaning area free from distractions to maintain focus during the cleaning process.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and the chamber is empty.
- Gather all necessary cleaning supplies, including the SHOTGUN CHAMBER BRUSH and any cleaning solvents.

### 2. Attaching the Brush:

- Locate the 832 thread on the brush.
- Attach the brush to the cleaning rod or handle, ensuring a secure fit.

### 3. Using the Brush:

- Insert the brush into the shotgun chamber.
- Gently rotate the brush while pushing it in and out of the chamber to remove debris.
- Avoid excessive force to prevent damaging the brush or the firearm.

### 4. Cleaning After Use:

- After cleaning, rinse the brush with clean solvent to remove any residue.
- Allow the brush to dry completely before storing.

## **Disposal Instructions**

- Dispose of the brush in accordance with local regulations regarding metal and cleaning materials.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SHOTGUN CHAMBER BRUSH, please refer to the manufacturer's contact details provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process for your shotgun. Thank you for your attention to safety, and enjoy using your SHOTGUN CHAMBER BRUSH.
