SHOTGUN CHAMBER BRUSH SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SHOTGUN CHAMBER BRUSH, BRONZE, 20 GAUGE, 5/16"27 THREAD, 3 PACK. This product is designed for cleaning shotgun chambers effectively. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide carefully.

General Safety Guidelines

- Always handle cleaning tools and brushes with care.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Store the product in a dry and safe location.
- Do not use the product for any purpose other than intended.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before using the chamber brush.
- Wear safety glasses to protect your eyes from debris during cleaning.
- Avoid using excessive force when cleaning to prevent damage to the firearm or brush.
- Do not use the chamber brush on hot surfaces or immediately after firing.
- Dispose of used brushes according to local regulations.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary cleaning supplies, including cleaning solvent and a cleaning rod.

2. Attaching the Chamber Brush

- Select the appropriate chamber brush from the pack.
- Attach the brush to the cleaning rod by screwing it onto the 5/16"27 thread securely.

3. Cleaning Process

- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the shotgun chamber, rotating gently while pushing it in.
- Move the brush back and forth to thoroughly clean the chamber.
- Remove the brush and clean any residue with a clean cloth.

4. Post-Cleaning Care

- After cleaning, inspect the brush for wear and replace it if necessary.
- Store the brush in a dry place, away from moisture.

Disposal Instructions

- Dispose of used brushes responsibly. Check local regulations for proper disposal methods.
- Do not throw used brushes in regular household waste if they are considered hazardous.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with the product packaging. Additionally, you can check for recall updates and safety information on the EU's Safety Gate platform.

By following these guidelines, you can ensure safe and effective use of the SHOTGUN CHAMBER BRUSH. Thank you for your attention to safety and for choosing our product.
