# SHOTGUN CHAMBER BRUSH SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SHOTGUN CHAMBER BRUSH, BRONZE, 20 GAUGE, 5/16"27 THREAD, 12 PACK. This product is designed to assist in the cleaning and maintenance of shotgun chambers. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle cleaning tools with care to prevent injury.
- Ensure that the firearm is unloaded before using the chamber brush.
- Keep the chamber brush out of reach of children and vulnerable individuals.
- Regularly inspect the chamber brush for wear or damage before each use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Use the chamber brush only for its intended purpose – cleaning shotgun chambers.
- Avoid using excessive force during cleaning to prevent damage to the firearm.
- Wear safety goggles to protect your eyes from debris during cleaning.
- Do not use the chamber brush with any chemicals that are not recommended for use with firearms.
- If you experience any discomfort or injury while using the chamber brush, discontinue use immediately and consult a medical professional if necessary.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the chamber brush, cleaning solvent, and a cleaning rod.

### 2. Attaching the Chamber Brush:

- Select the appropriate cleaning rod for your chamber brush.
- Attach the chamber brush to the cleaning rod by screwing it onto the threaded end (5/16"27).
- Ensure the brush is securely attached before proceeding.

### 3. Cleaning the Chamber:

- Apply a small amount of cleaning solvent to the chamber brush.
- Insert the chamber brush into the shotgun chamber.
- Rotate the brush gently while pushing it in and out to clean the chamber thoroughly.
- Repeat this process as necessary, ensuring that the brush remains free of debris.

### 4. PostCleaning:

- After cleaning, remove the chamber brush from the cleaning rod.
- Rinse the brush with warm water to remove any residue.
- Allow the brush to air dry completely before storage.

## **Disposal Instructions**

- Dispose of the chamber brush responsibly when it becomes worn or damaged.
- Check local regulations for proper disposal methods for cleaning tools and materials.
- Do not dispose of the chamber brush in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SHOTGUN CHAMBER BRUSH, please refer to the EUbased contact point provided by the manufacturer, BROWNELLS. Check the product packaging or the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective cleaning process for your shotgun chambers. Thank you for your attention to safety.
