SHOTGUN PORT BRUSHES BROWNELLS MODEL 202 STAINLESS STEEL SHOTGUN PORT BRUSH 12 PACK Safety Instruction Guide

Introduction

Thank you for choosing the SHOTGUN PORT BRUSHES BROWNELLS MODEL 202. This product is designed to help you maintain your shotgun by effectively cleaning the barrel ports. The brushes are made from extrastiff, twisted stainless steel wire, ensuring durability and efficiency. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the brushes as intended and follow the instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of damage or wear.
- If any part of the brush is damaged, do not use it and dispose of it properly.
- Store the brushes in a dry place to prevent rusting and degradation.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before cleaning.
- Avoid using excessive force when inserting the brush into the port to prevent damage to the brush or the shotgun.
- Wear protective eyewear to shield your eyes from debris that may be dislodged during cleaning.
- Do not use the brushes on any surface other than specified shotgun ports.
- If you experience any discomfort or irritation while using the brushes, stop using them immediately.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is completely unloaded.
- Gather all necessary cleaning materials, including the SHOTGUN PORT BRUSHES.

2. Using the Brushes:

- Select the appropriate brush size for your shotgun port:
 - **202 Brush:** 6" overall length, .125" diameter, fits most barrel ports.
 - **238 Brush:** 7" overall length, .187" diameter, fits Colonial Arms ported choke tubes.
- Insert the brush gently into the port, ensuring it fits snugly.
- Rotate the brush while pulling it in and out of the port to effectively remove wad residue and carbon fouling.
- Repeat the process if necessary until the port is clean.

3. PostCleaning:

- After use, clean the brushes with a dry cloth to remove any residue.
- Store the brushes in their packaging or a safe place where they will not be damaged.

Disposal Instructions

- Dispose of any damaged brushes responsibly.
- If you need to dispose of the brushes, check local regulations for proper disposal methods, especially for metal components.
- Do not dispose of brushes in regular household waste if they are damaged or contaminated.

Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the SHOTGUN PORT BRUSHES BROWNELLS MODEL 202, please consult the product packaging for further information or contact your local distributor.

Thank you for prioritizing safety while using the SHOTGUN PORT BRUSHES BROWNELLS MODEL 202. Enjoy your cleaning experience!
