Safety Instruction Guide for SHOTGUN PORT BRUSHES BROWNELLS MODEL 238 STAINLESS STEEL SHOTGUN PORT BRUSH 12 PACK

Introduction

Thank you for choosing the SHOTGUN PORT BRUSHES BROWNELLS MODEL 238. This product is designed to assist in the maintenance of your shotgun by effectively cleaning the barrel ports. To ensure your safety and the effectiveness of this product, please read and follow the safety instructions and guidelines provided in this document.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the brushes before each use. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhaling any debris.
- Do not use the brushes for any purpose other than intended cleaning of shotgun ports.
- Report any unsafe product incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Handle the brushes with care to avoid injury. The stainless steel bristles are sharp.
- Wear protective eyewear to prevent eye injury from flying debris.
- Use gloves to protect your hands from sharp edges and potential contaminants.
- Ensure that the shotgun is unloaded before using the brushes.
- Avoid using excessive force when cleaning to prevent damage to the barrel ports.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is completely unloaded and pointed in a safe direction.
- Gather the necessary cleaning supplies, including the SHOTGUN PORT BRUSHES.

2. Selecting the Right Brush:

- Choose the appropriate size brush based on the barrel port specifications:
 - **Model 238:** 7" (17cm) overall length, .187" (4.6mm) diameter for Colonial Arms ported choke tubes.
 - **Universal Shotguns:** 6" (15cm) overall length, .125" (6.3mm) diameter for most barrel ports.

3. Cleaning Process:

- Insert the brush gently into the barrel port.
- Rotate the brush while applying light pressure to loosen wad residue and carbon fouling.
- Withdraw the brush carefully to avoid damage to the barrel port.
- Repeat as necessary until the port is clean.

4. PostCleaning:

- Inspect the barrel port for cleanliness.
- Dispose of any debris responsibly.
- Store the brushes in a safe place away from children.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
- Consider recycling options for metal components if available.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of this product, please refer to the contact information provided with your purchase or visit the manufacturer's website.

Please remember, safety is a shared responsibility. By following these guidelines, you help ensure a safe and effective experience with your SHOTGUN PORT BRUSHES BROWNELLS MODEL 238. Thank you for your attention to these important safety instructions.
