# REVOLVER CHAMBER BRUSH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the REVOLVER CHAMBER BRUSH, STAINLESS STEEL, .44/.45 CAL REVOLVER. This product is designed to help you effectively clean the cylinder chambers of your revolver, ensuring optimal performance and longevity. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Always handle the brush with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the brush for wear and damage. Do not use if damaged.
- If you experience any discomfort or adverse reactions while using the brush, discontinue use immediately and seek medical advice.

## Specific Safety Precautions for Use

- Use the brush only on chambers of firearms that are specifically compatible (i.e., .44/.45 caliber revolvers).
- Always ensure that the revolver is unloaded before using the brush.
- Avoid using excessive force when cleaning to prevent damage to the chambers.
- Wear safety glasses to protect your eyes from debris while cleaning.
- Do not use the brush with any cleaning solvents that may react negatively with stainless steel.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the revolver is completely unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the REVOLVER CHAMBER BRUSH and any preferred cleaning solvent.

### 2. Using the Brush:

- Attach the REVOLVER CHAMBER BRUSH to a cleaning rod with an 832 thread.
- Insert the brush gently into the chamber.
- Rotate the brush while applying light pressure to remove fouling and leading.
- Clean each chamber thoroughly, ensuring all residues are removed.

### 3. PostCleaning:

- After cleaning, remove the brush and inspect the chamber for cleanliness.
- Wipe down the chambers with a clean cloth to remove any remaining debris or solvent.
- Store the brush in a safe place, away from children and pets.

## Disposal Instructions

- Dispose of the REVOLVER CHAMBER BRUSH responsibly.
- If the brush is worn out or damaged, it should be discarded in accordance with local regulations for metal

waste.

- Do not dispose of the brush in a way that could pose a hazard to the environment or public safety.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult the manufacturer or your local retailer. Regularly check for product recalls or safety updates through the appropriate channels.

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your REVOLVER CHAMBER BRUSH. Thank you for your attention to safety!
