# Safety Instruction Guide for SQUARE 100% COTTON FLANNEL CLEANING PATCHES

## Introduction

Thank you for choosing the SQUARE 100% COTTON FLANNEL CLEANING PATCHES. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose. These cleaning patches are designed for cleaning firearms and should not be used for any other applications.
- Keep the patches out of reach of children and vulnerable individuals to prevent accidental ingestion or misuse.
- Inspect the packaging for any damage before use. Do not use if the packaging is compromised.
- Store the patches in a cool, dry place, away from direct sunlight and moisture to maintain their quality.

## Specific Safety Precautions for Use

- Always handle cleaning patches with clean hands to avoid contamination.
- Use the appropriate size of patch for your firearm caliber to ensure effective cleaning and avoid any obstruction in the bore.
- Do not exceed the recommended number of patches for cleaning to avoid excessive residue buildup.
- Dispose of used patches properly. Do not leave them lying around as they may pose a choking hazard.
- If you experience any adverse reactions (e.g., skin irritation) while using the product, discontinue use immediately and consult a medical professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including a cleaning rod, solvent, and the appropriate cleaning patches.

### 2. Using the Cleaning Patches:

- Select the appropriate size patch based on your firearm's caliber. For instance, use a 1.375" square patch for .22 caliber firearms.
- Apply a small amount of cleaning solvent on the patch if required.
- Attach the patch to the cleaning rod and insert it into the bore of the firearm.
- Gently push the patch through the bore, ensuring it makes contact with the inner surface to remove dirt and residue.
- Repeat the process as necessary, using a clean patch each time until the bore is clean.

### 3. PostCleaning:

- After cleaning, inspect the bore for any remaining residue.
- Store the cleaning patches in their resealable bag to maintain their quality for future use.

## **Disposal Instructions**

- Used cleaning patches should be disposed of in accordance with local regulations.
- Do not flush used patches down the toilet or dispose of them in a manner that could harm the environment.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please consult the manufacturer's contact information provided on the packaging or visit their official website for more details.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the SQUARE 100% COTTON FLANNEL CLEANING PATCHES responsibly.
