Safety Instruction Guide for SQUARE 100% COTTON FLANNEL CLEANING PATCHES

Introduction

Thank you for choosing the SQUARE 100% COTTON FLANNEL CLEANING PATCHES. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the cleaning patches.

General Safety Guidelines

- Ensure that the product is kept out of reach of children to prevent accidental ingestion or misuse.
- Use the cleaning patches only for their intended purpose, which is cleaning firearms.
- Inspect the patches before use. Do not use if they are damaged or contaminated.
- Store the patches in a cool, dry place away from direct sunlight and heat sources.
- Follow all local laws and regulations regarding the use and disposal of cleaning materials.

Specific Safety Precautions for Use

- Always wear protective eyewear when cleaning firearms to prevent injury from debris.
- Avoid using the patches near open flames or sources of ignition, as cleaning agents may be flammable.
- Do not use the patches if you have known allergies to cotton or cleaning solvents.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning patches.
- Dispose of used patches properly, following local disposal regulations for hazardous waste if applicable.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and safe to clean.
- Gather all necessary cleaning tools and materials, including the cleaning patches.

2. Using the Cleaning Patches

- Take a square cleaning patch from the resealable bag.
- Apply the appropriate cleaning solvent to the patch if required.
- Insert the cleaning patch into the cleaning rod or applicator.
- Clean the firearm by moving the patch through the barrel and other components as needed.
- Repeat the process with additional patches until the firearm is clean.

3. PostCleaning

- Inspect the firearm to ensure it is clean and free of any cleaning materials.
- Store the cleaning patches in their resealable bag to maintain freshness and prevent contamination.

Disposal Instructions

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- If the patches have been used with hazardous materials, treat them as hazardous waste.
- Do not dispose of cleaning patches in regular household waste if they contain solvents or cleaning agents.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact the manufacturer or your local distributor for assistance. Ensure you have the product details on hand for a more efficient response.

Thank you for prioritizing safety while using the SQUARE 100% COTTON FLANNEL CLEANING PATCHES. Enjoy your cleaning experience and stay safe!
