# Safety Instruction Guide for SQUARE 100% COTTON FLANNEL CLEANING PATCHES

## Introduction

Thank you for choosing the SQUARE 100% COTTON FLANNEL CLEANING PATCHES by Brownells. This guide provides essential safety information and instructions to ensure the safe and effective use of our product. Please read this guide thoroughly before using the patches.

## General Safety Guidelines

- Ensure that the patches are used only for their intended purpose, which is cleaning firearms.
- Store the patches in a cool, dry place away from direct sunlight to maintain their quality.
- Keep the product out of reach of children and pets to prevent accidental ingestion or misuse.
- Regularly check for any damages or defects in the packaging before use.
- If you notice any unusual odor or discoloration, do not use the patches and dispose of them properly.
- In case of any allergic reactions to cotton or flannel, discontinue use immediately and seek medical advice.

## Specific Safety Precautions for Use

- Always handle firearms with care and follow all safety protocols associated with firearm handling.
- Do not use the patches as a substitute for professional cleaning services or products specifically designed for firearm cleaning.
- Avoid using the patches on heated surfaces or with flammable materials.
- Ensure that the firearm is unloaded before using the cleaning patches.
- Use the patches in a wellventilated area to avoid inhalation of any cleaning residues.
- Dispose of used patches in accordance with local regulations regarding textile waste.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary cleaning supplies, including the SQUARE cleaning patches, cleaning solvent, and a cleaning rod.
- Ensure that your workspace is clean and organized.

### 2. Using the Cleaning Patches:

- Select the appropriate size patch for your firearm caliber (e.g., 20 Gauge or 35 Caliber).
- Attach the cleaning patch to the cleaning rod.
- Apply a small amount of cleaning solvent to the patch.
- Insert the cleaning rod with the attached patch into the firearm's bore.
- Move the rod back and forth gently to clean the bore.
- Remove the patch and inspect for residue. Repeat as necessary.

### 3. PostCleaning:

- Dispose of used patches responsibly.
- Store the remaining patches in the resealable bag to maintain freshness and cleanliness.

## Disposal Instructions

- Dispose of used patches in accordance with local textile waste regulations.
- Do not incinerate the patches as they may release harmful substances.
- For unused patches, return them to the original packaging and store them properly or donate them if they are still in good condition.

## Contact Information for Further Support

For any inquiries regarding product safety or usage, please contact the manufacturer directly. Ensure you provide details about your concern for a prompt response.

This safety instruction guide is designed to help you use the SQUARE 100% COTTON FLANNEL CLEANING PATCHES safely and effectively. Adhering to these guidelines will enhance your experience and ensure compliance with the EU General Product Safety Regulation (GPSR). Thank you for your attention to safety.
