1911 SEAR JIG BROWN SEAR JIG Safety Instruction Guide

Introduction

Thank you for choosing the 1911 SEAR JIG BROWN SEAR JIG. This product is designed to assist you in achieving precise stoning of your sear for optimal trigger pull weight. To ensure your safety and the effectiveness of the product, please read this safety instruction guide thoroughly before use.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Use personal protective equipment, such as safety glasses and gloves, to protect yourself from potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the sear jig is securely positioned before making adjustments.
- Avoid using excessive force when adjusting the positioning screw to prevent damage to the jig or injury to yourself.
- Use only the recommended 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stones for optimal results and safety.
- Do not modify or alter the jig in any way that could compromise its safety or performance.
- Always inspect the jig for any signs of wear or damage before each use.

Instructions for Installation and Usage

1. Setting Up the Sear Jig

- Place the sear jig in a stable and secure position on your work surface.
- Ensure that the adjustable positioning screw is easily accessible for adjustments.

2. Preparing the Sear for Stoning

- Insert the sear into the jig, ensuring it is held at the correct angle.
- Tighten the positioning screw gently to secure the sear in place.

3. Adjusting the Sear Angle

- If necessary, use the adjustable positioning screw to change the angle of the sear.
- Make small adjustments to avoid overtightening and damaging the jig.

4. Using the Stones

- Select a 6"x $\frac{1}{2}$ "x $\frac{1}{2}$ " stone and attach it to your stoning tool.
- Carefully stone the sear while ensuring the jig remains stable.
- Check the sear frequently for the desired finish and angle.

5. Final Inspection

- Once stoning is complete, inspect the sear for a smooth finish.

- Ensure that all adjustments are secure before removing the sear from the jig.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check for designated recycling centers or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries or further support regarding the 1911 SEAR JIG BROWN SEAR JIG, please refer to the product packaging or the manufacturer's website for contact information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your experience with the 1911 SEAR JIG BROWN SEAR JIG!
