

1911 TRIGGER - 3-HOLE TRIGGER, LONG

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Stainless-Steel Bow Eliminates Flex

1911 TRIGGER Precision-machined, curved shoe with a finely serrated surface provides good feel and trigger control. Shoe height is slightly oversized for precise fitting. Stainless steel bow gives smooth, no-flex trigger movement. Overtravel stop screw prevents creep. Available with Solid shoe in short length or Drilled, 3-Hole shoe provides an even lighter trigger pull; long length only. SPECS: Aluminum, silver anodized shoe; polished stainless steel bow. Shoe - 1/4" (6.3mm) wide, 15/16" (23.8mm) high. Overall length measured from center of shoe to end of bow. Short - 2.05" (5.2cm) OAL. Long - 2.24" (5.7cm) OAL. Gunsmith fitting required.

1911 Trigger Safety Instruction Guide

Introduction

Thank you for purchasing the 1911 Trigger 3Hole Trigger, Long. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new trigger. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Store the trigger and firearm in a secure location away from children and unauthorized users.
- Regularly inspect the trigger and firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- **Installation Warning:** Gunsmith fitting is required for proper installation. Improper installation can lead to malfunction or unsafe operation.
- **Trigger Control:** The curved shoe design enhances trigger control; however, ensure you practice safe trigger discipline.
- **Overtravel Stop Screw:** The overtravel stop screw prevents creep. Ensure it is adjusted correctly to avoid accidental discharges.
- **Height Adjustment:** The shoe height is slightly oversized for precise fitting. Ensure that it is fitted correctly to avoid misalignment.
- **Material Safety:** The trigger is made from aluminum and polished stainless steel. Ensure that there are no sharp edges or burrs that could cause injury during handling.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including screwdrivers and any other required equipment.

2. Installation:

- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Fit the 1911 Trigger into the firearm, ensuring that the shoe height is adjusted for a precise fit.
- Secure the trigger in place using the appropriate screws and tools.
- Adjust the overtravel stop screw as needed to ensure proper trigger function.

3. Usage:

- Before using the firearm, perform a function check to ensure the trigger operates smoothly without any hindrance.
- Practice safe handling and shooting techniques.
- Regularly check the trigger for any signs of wear or malfunction.

Disposal Instructions

- Dispose of the trigger and any packaging materials in accordance with local regulations.
- Do not dispose of in regular household waste if it contains hazardous materials.
- Check with local authorities for proper disposal methods for metal and electronic components.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Trigger 3Hole Trigger, Long, please refer to the manufacturer or a qualified gunsmith for assistance. Ensure that you have the product specifications and any relevant information handy for a more efficient response.

By following these guidelines, you can help ensure the safe use of your 1911 Trigger and enjoy its performance to the fullest. Always prioritize safety and responsibility when handling firearms.
