

1911 BOBTAIL MAINSPRING HOUSING - ED BROWN CHECKERED, BLUE

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Reduced Bulk For Concealed Carry Guns

Eliminates the sharp profile at the rear of the grip that can “print” when carrying a concealed 1911 Auto. Reduces bulk without reducing magazine capacity or performance. Removes nearly ½" of material from the butt while maintaining correct grip position. Will require modification of grip panels. Choose from Smooth, Checkered (25 lpi), Snakeskin, Chainlink, or Chainlink II patterns. Includes mainspring, cap, and retaining pin. All internal parts are officer's model size.

Safety Instruction Guide for 1911 Bobtail Mainspring Housing

Introduction

Thank you for choosing the 1911 Bobtail Mainspring Housing by Ed Brown. This product is designed to enhance the comfort and concealment of your 1911 Auto while maintaining performance. This safety instruction guide provides essential information to ensure safe use and installation of the mainspring housing.

General Safety Guidelines

- Ensure that the product is compatible with your specific 1911 model before installation.
- Always handle firearms and related components with care and in accordance with safety regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for wear or damage before use.
- If you experience any issues with the product, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Compatibility Warning:** This mainspring housing is designed for Government and Commander models of the 1911. Using it with incompatible models may lead to malfunction or injury.
- **Modification Caution:** Installation may require modifications to grip panels. Ensure all modifications are performed by a qualified professional.
- **Handling Precautions:** Always ensure that the firearm is unloaded before installing or modifying any components.
- **Inspection Reminder:** After installation, inspect the assembly to ensure all parts are secure and functioning properly before use.

Instructions for Installation and Usage

1. Gather Required Tools:

- Screwdriver
- Allen wrench
- Appropriate tools for grip panel modification (if necessary)

2. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Remove the existing mainspring housing if applicable.

3. Installation Steps:

- Align the new mainspring housing with the grip frame.
- If necessary, modify the grip panels according to your chosen pattern (Smooth, Checkered, Snakeskin, Chainlink, or Chainlink II).
- Securely fasten the mainspring housing using the retaining pin and cap provided.
- Doublecheck all connections to ensure everything is tight and secure.

4. PostInstallation Check:

- Inspect the installation to confirm that there are no loose parts.
- Test the grip position to ensure it feels natural and secure.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the mainspring housing becomes damaged or is no longer usable, consult local guidelines for the disposal of metal components.

Contact Information for Further Support

For safety inquiries or additional support, please contact the manufacturer or a qualified gunsmith. Ensure you have the product details ready for reference.

By following these safety instructions, you can enjoy the benefits of your 1911 Bobtail Mainspring Housing while ensuring safe and responsible use. Always prioritize safety and compliance with regulations when handling firearms and their components.
