

# 1911 BOBTAIL MAINSPRING HOUSING - ED BROWN CHECKERED, SS

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

## Reduced Bulk For Concealed Carry Guns

Eliminates the sharp profile at the rear of the grip that can “print” when carrying a concealed 1911 Auto. Reduces bulk without reducing magazine capacity or performance. Removes nearly ½" of material from the butt while maintaining correct grip position. Will require modification of grip panels. Choose from Smooth, Checkered (25 lpi), Snakeskin, Chainlink, or Chainlink II patterns. Includes mainspring, cap, and retaining pin. All internal parts are officer's model size.

# Safety Instruction Guide for 1911 Bobtail Mainspring Housing ED Brown Checkered, SS

## Introduction

Thank you for choosing the 1911 Bobtail Mainspring Housing by ED Brown. This product is designed to enhance your 1911 Auto while ensuring comfort and usability. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the mainspring housing.
- Use the product only as intended. Modifications or alterations may compromise safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for wear or damage.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- **Installation Risks:** Improper installation may lead to malfunction. Follow the installation instructions closely.
- **Grip Panel Modification:** Modifying grip panels is necessary for installation. Ensure that you are comfortable with this process or seek professional assistance.
- **Material Handling:** Be cautious when handling steel or stainless steel components to avoid cuts or injuries.
- **Performance Changes:** Understand that removing material from the butt may change the grip feel and handling of the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: screwdriver, wrench, and any other tools specified in the installation manual.

### 2. Removing the Existing Mainspring Housing:

- Remove the grip panels carefully.
- Unscrew and detach the existing mainspring housing from the firearm.

### 3. Installing the New Mainspring Housing:

- Align the new mainspring housing with the grip frame.
- Secure the mainspring housing using the retaining pin and cap provided.
- Make sure it is firmly in place.

### 4. Modifying Grip Panels:

- If necessary, modify the grip panels to fit the new mainspring housing.
- Ensure that the grip panels maintain a secure fit and do not interfere with the operation of the firearm.

### 5. Final Checks:

- Reattach the grip panels.
- Conduct a thorough inspection to ensure all parts are securely fastened.
- Test the firearm in a safe environment to ensure proper functionality.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer in use, dispose of it responsibly. Check local guidelines for proper disposal of metal components.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of the 1911 Bobtail Mainspring Housing. Always prioritize safety and consult professionals when in doubt.
