

FLAT FOR MAINSPRING HOUSING FOR 1911 - ED BROWN BL/FL FITS GC - 25 LPI CHECKERING

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Traditional Shapes Plus Different Surfaces Let Every Shooter Get Their Favorite Grip Feel

FLAT 1911 MAINSPRING HOUSING Classic and contemporary looking mainspring housings combine form and function, so there is no compromise in grip control even though they look great. Flat shaped housings are available with popular 25 lpi checkering preferred by many shooters, as well the latest Snakeskin, Chainlink, and Chainlink II patterns that provide a secure gripping surface without the “sharpness” of machine cut checkering. Because they won’t abrade your hand or clothing, they make the perfect addition to competition, carry, and tactical guns. Some Chainlink models are also available with an integral lanyard loop for attaching a weapon retention device. Blank models are completely smooth to allow custom checkering or engraving and are available in flat shapes. Also available for the Officer’s model in both blued and stainless steel with 25 lpi checkering. Specifications: Steel, blued or stainless steel (SS) natural finish. The Government Model housing features drop-in installation in all full-size 1911 pistols including full size Para-Ordnance pistols such as the P-14 and P-16. All housings will work great with any finish or type of steel, including aluminum.

Attributes

- Name: [ED BROWN BL/FL FITS GC - 25 LPI CHECKERING](#)

Safety Instruction Guide for 1911 Mainspring Housing ED Brown BL/FL Fits GC 25 LPI Checkering

Introduction

Thank you for choosing the 1911 Mainspring Housing by ED Brown. This product is designed to enhance the performance and aesthetics of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use and care of your mainspring housing.

General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the mainspring housing.
- Always follow the manufacturer's guidelines and safety instructions for your specific firearm model.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for wear and damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the mainspring housing, maintain a firm grip to prevent slippage.
- Avoid using the product in wet or slippery conditions to ensure maximum control.
- If you experience any discomfort or hand abrasion while using the mainspring housing, discontinue use immediately.
- Ensure that the lanyard loop, if present, is securely attached to prevent accidental detachment during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the existing mainspring housing by following the manufacturer's instructions.
- Align the new mainspring housing with the frame of the firearm.
- Insert the mainspring housing into place and ensure it is securely fastened.
- Test the fit and function of the mainspring housing before using the firearm.

2. Usage:

- Maintain a proper shooting stance to minimize muzzle rise and improve recoil control.
- Use the mainspring housing with appropriate ammunition and in compliance with local regulations.
- Regularly clean and maintain the mainspring housing to ensure optimal performance.

Disposal Instructions

- Dispose of the mainspring housing in accordance with local waste disposal regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents any potential hazards to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the 1911 Mainspring Housing, please contact the manufacturer or refer to the product's official website for additional resources.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR) and provides essential information for the safe use of the 1911 Mainspring Housing. Thank you for prioritizing safety and responsible usage.
