# 1911 Recoil Spring Guides Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Recoil Spring Guides manufactured by Ed Brown. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your recoil spring guides. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the recoil spring guides.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store firearms and related components in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Use only the recoil spring guides designed for your specific model (Commander or Government).
- Do not modify the recoil spring guides in any way; alterations can compromise safety and performance.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is completely unloaded before installing or replacing any components.
- Avoid using the recoil spring guides in firearms that have not been properly maintained or inspected.
- Keep your workspace clean and organized to prevent accidents during installation and use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components for installation.

### 2. Installation of Recoil Spring Guides

- Remove the slide from the frame of the firearm as per the manufacturer's instructions.
- Locate the recoil spring assembly and carefully remove it from the slide.
- Remove the old recoil spring guide if applicable.
- Insert the new recoil spring guide into the appropriate position.
- Reassemble the recoil spring assembly and slide back onto the frame.
- Ensure that all components are securely in place and functioning correctly.

### 3. Usage

- Test the firearm in a controlled environment to ensure proper functionality after installation.
- Regularly inspect the recoil spring guides for signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of any damaged or worn recoil spring guides responsibly.
- Follow local regulations regarding the disposal of firearm components.
- If unsure, consult with a local firearms dealer or authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the product, please refer to the appropriate contact point as per your local regulations.

By following these guidelines and instructions, you can help ensure a safe and enjoyable experience with your 1911 Recoil Spring Guides. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
