# Safety Instruction Guide for 1911 Firing Pin Stop

## Introduction

Thank you for choosing the 1911 Firing Pin Stop. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and usage to avoid any hazards.

## General Safety Guidelines

- Ensure that the product is suitable for your specific model of 1911 Auto (Government, Commander, Officers).
- Always handle the product with care, avoiding any drops or impacts that could damage it.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage. If any issues are detected, discontinue use immediately.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Only use the 1911 Firing Pin Stop with compatible 1911 models. Using it with incompatible models may lead to malfunctions.
- Ensure that the firearm is unloaded and in a safe condition before installing or handling the firing pin stop.
- Avoid using excessive force during installation to prevent damage to the product or the firearm.
- Be aware that improper installation may lead to safety hazards, including misfires or failure to fire.
- If you are unsure about the installation or usage, consult a qualified gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, including a punch and hammer.

### 2. Installation:

- Remove the existing firing pin stop from the firearm by gently tapping it out with a punch.
- Align the new 1911 Firing Pin Stop with the extraction port and gently tap it into place using the punch and hammer.
- Ensure that the firing pin stop is seated securely and fits snugly without any wobble.

### 3. PostInstallation Checks:

- After installation, check the fit of the firing pin stop to ensure it holds the extractor correctly.
- Test the firearm in a safe environment to confirm proper function before regular use.

### 4. Usage:

- Regularly check the firing pin stop during routine firearm maintenance.
- If you notice any irregularities, such as peening or loss of shape, replace the firing pin stop immediately.

## Disposal Instructions

- Dispose of any defective or unused parts in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

## Contact Information for Further Support

For inquiries regarding safety, installation, or product performance, please reach out to your local authorized dealer or consult a qualified gunsmith. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use of this product.
