

1911 TRIGGER - ED BROWN SOLID TRIGGER, LONG

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Stainless-Steel Bow Eliminates Flex

1911 TRIGGER Precision-machined, curved shoe with a finely serrated surface provides good feel and trigger control. Shoe height is slightly oversized for precise fitting. Stainless steel bow gives smooth, no-flex trigger movement. Overtravel stop screw prevents creep. Available with Solid shoe in short length or Drilled, 3-Hole shoe provides an even lighter trigger pull; long length only. SPECS: Aluminum, silver anodized shoe; polished stainless steel bow. Shoe - 1/4" (6.3mm) wide, 15/16" (23.8mm) high. Overall length measured from center of shoe to end of bow. Short - 2.05" (5.2cm) OAL. Long - 2.24" (5.7cm) OAL. Gunsmith fitting required.

Safety Instruction Guide for 1911 Trigger Ed Brown Solid Trigger, Long

Introduction

Thank you for choosing the 1911 Trigger Ed Brown Solid Trigger, Long. This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of this product. Please read the entire guide carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this trigger.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear or damage before use.
- If you notice any irregularities or issues, do not use the trigger and seek professional assistance.

Specific Safety Precautions for Use

- This trigger is designed for use with 1911 models, including Government, Commander, and Officers models. Ensure compatibility before installation.
- Gunsmith fitting is required for proper installation. Improper fitting may lead to malfunction or unsafe operation.
- Do not modify the trigger or any of its components. Modifications can compromise safety and performance.
- Avoid using excessive force when operating the trigger to prevent accidental discharge.
- Be aware of the trigger pull weight. Ensure that it is set to a level that you can manage safely.
- Always wear appropriate eye protection when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any fitting tools recommended by a qualified gunsmith.

2. Installation:

- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Install the Ed Brown Solid Trigger by aligning it with the trigger bow and securing it in place.
- Adjust the overtravel stop screw to prevent unwanted movement of the trigger after firing.
- Confirm that the trigger moves smoothly without any binding.

3. Testing:

- Once installed, test the trigger function in a safe environment.
- Ensure that the trigger pull is consistent and that there are no signs of malfunction.
- If any issues arise, consult a qualified gunsmith for further evaluation.

4. Usage:

- Familiarize yourself with the trigger's feel and operation during dry fire practice.
- Always maintain proper shooting stance and grip when using the firearm.
- After use, clean and maintain the trigger and firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or worn components of the trigger responsibly.
- Follow local regulations for the disposal of metal and firearm components.
- Do not throw away the trigger in regular household waste.

Contact Information for Further Support

For any safety inquiries or assistance regarding the Ed Brown Solid Trigger, please refer to the manufacturer's official website or contact their customer support for guidance.

Please remember that your safety and the safety of others is paramount. By following these guidelines, you can help ensure a safe and enjoyable experience with your 1911 Trigger Ed Brown Solid Trigger, Long.
