

1911 TRIGGER - ED BROWN SOLID TRIGGER, SHORT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Stainless-Steel Bow Eliminates Flex

1911 TRIGGER Precision-machined, curved shoe with a finely serrated surface provides good feel and trigger control. Shoe height is slightly oversized for precise fitting. Stainless steel bow gives smooth, no-flex trigger movement. Overtravel stop screw prevents creep. Available with Solid shoe in short length or Drilled, 3-Hole shoe provides an even lighter trigger pull; long length only. SPECS: Aluminum, silver anodized shoe; polished stainless steel bow. Shoe - 1/4" (6.3mm) wide, 15/16" (23.8mm) high. Overall length measured from center of shoe to end of bow. Short - 2.05" (5.2cm) OAL. Long - 2.24" (5.7cm) OAL. Gunsmith fitting required.

Safety Instruction Guide for the 1911 Trigger Ed Brown Solid Trigger, Short

Introduction

Thank you for choosing the 1911 Trigger Ed Brown Solid Trigger, Short. This guide provides essential safety instructions to ensure the safe use and maintenance of your trigger. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the trigger.
- Use the trigger only in accordance with the manufacturer's instructions and the firearm's manual.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear and damage. Do not use if damaged.
- Report any unsafe product experiences or accidents to local authorities.
- Stay informed about product recalls and safety notices via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to accidental discharge or malfunction.
- **Avoiding Hazards:**
 - Ensure correct installation by following the provided instructions.
 - Do not modify the trigger or any of its components.
 - Always perform a function check after installation.
 - Use appropriate protective gear when handling firearms.
- **Audience Specific Warnings:**
 - This product is intended for adults with knowledge of firearm safety. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing trigger following the manufacturer's guidelines for your specific 1911 model (Government, Commander, Officers).
- Carefully install the Ed Brown Solid Trigger, ensuring the bow fits securely and the shoe is properly aligned.
- Adjust the overtravel stop screw as necessary to prevent trigger creep.
- Confirm that the shoe height is suitable for your comfort and shooting style.
- If using the drilled, 3Hole shoe, ensure it is installed correctly for optimal performance.

2. Usage:

- Always maintain a proper shooting stance and grip.
- Use the trigger with a smooth, controlled pull to avoid jerking, which could lead to inaccurate shots or accidental discharge.
- Regularly practice trigger control to enhance your shooting skills and safety awareness.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Contact a local waste management facility for

proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product issues, please consult the manufacturer's contact information or your local firearms authority.

Thank you for your attention to these safety instructions. Enjoy using your 1911 Trigger Ed Brown Solid Trigger, Short responsibly and safely!
