Safety Instruction Guide for 1911 HARDCORE .45 ACP SLIDE STOP ED BROWN

Introduction

Thank you for choosing the 1911 HARDCORE .45 ACP SLIDE STOP by Ed Brown. This product is designed to enhance the performance and reliability of your 1911 firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure safe handling of firearms at all times.
- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Regularly inspect the slide stop for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- In case of any malfunction or abnormal operation, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to firearm malfunction.
- Using incompatible parts may result in unsafe operation.

- **Avoiding Hazards:**

- Only install the slide stop on compatible 1911 models: Government, Commander, and Officers.
- Ensure the firearm is unloaded before installation or maintenance.
- Do not force the slide stop into place; it should drop in easily without fitting.

- **AgeSpecific Warning:**

- This product is intended for use by individuals who are of legal age to own and operate firearms in their jurisdiction.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a small punch and a hammer (if needed).

2. Installation Steps:

- Remove the existing slide stop, if applicable:
 - Press the slide stop pin out using the punch and hammer.
- Insert the new slide stop:
 - Align the slide stop with the appropriate holes in the frame.
 - Gently press the slide stop into place until it is seated correctly.
- Ensure the detent clicks into place for secure installation.

3. PostInstallation Checks:

- Confirm that the slide stop operates smoothly.
- Test the firearm functionality in a safe environment before regular use.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any questions or concerns regarding the 1911 HARDCORE .45 ACP SLIDE STOP, please reach out to your local dealer or refer to the manufacturer's website for additional support and resources.

This guide is intended to ensure your safety and the proper use of the 1911 HARDCORE .45 ACP SLIDE STOP. By following these instructions, you contribute to a safer environment for yourself and others. Thank you for your attention to these important safety measures.
