

1911 TRIGGER PULL SET - ED BROWN 1911 TRIGGER PULL SET BLUED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

These Trigger Pull Kits include the Ed Brown parts needed for superior trigger function. The machined-from-barstock hammer features a long list of custom modifications for a match-quality trigger pull without a lot of work. Sear hooks are cut to height, then precision surface ground so just a light stoning is all that's necessary to achieve a crisp, clean-breaking trigger pull. Half-cock notch is narrowed to help prevent sear damage and pin holes are CNC-machined for location; lowered strut pin hole reduces full-cock spring pressure. Narrowed spur minimizes slide drag; larger-than-factory, Commander-style opening reduces weight for a fast fall and even faster locktimes. Fully-chamfered edges eliminate sharp points that can abrade clothing and skin. Heat treated for super durability in rugged service. All machined surfaces are finished and dimensionally precise to ensure perfect fit and smooth functioning. Gunsmith installation required. The Perfection Sear is pre-fit to provide the least amount of hand work prior to installation. Primary angle is already cut; simply stone the correct relief angle and install.

Attributes

- Name: [ED BROWN 1911 TRIGGER PULL SET BLUED](#)
- Manufacturer: [ED BROWN](#)
- Product no.: 087000097
- Mfr. No.: 896-KIT-2

Safety Instruction Guide for the 1911 Trigger Pull Set by Ed Brown

Introduction

Thank you for choosing the 1911 Trigger Pull Set by Ed Brown. This product is designed to enhance the performance of your firearm with superior trigger function. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Store the 1911 Trigger Pull Set and any installed components in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local and national laws regarding firearms and their components.
- Do not attempt to modify the product beyond the manufacturer's specifications.

Specific Safety Precautions for Use

- Only use the 1911 Trigger Pull Set with compatible firearms. Ensure that your firearm model is designed for use with this trigger pull set.
- Always wear appropriate eye protection when handling or working on firearms.
- Use proper tools and techniques when installing or adjusting the trigger pull set to avoid injury.
- Be aware of the potential hazards associated with firearms, including accidental discharge.
- Ensure that the firearm is unloaded before installing or removing the trigger pull set.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools for installation, including screwdrivers and stoning tools.
- Read through the product specifications and installation instructions thoroughly.

2. Installation:

- Unload the firearm completely and ensure it is safe to work on.
- Remove the existing trigger components according to your firearm's manual.
- Install the Ed Brown trigger pull set as follows:
 - Fit the hammer into the firearm, ensuring proper alignment with the sear.
 - Adjust the sear hooks to the desired height, ensuring they are precision ground for a clean trigger pull.
 - Install the narrowed halfcock notch to prevent sear damage.
 - Ensure that all installed components are securely fastened and properly aligned.
- Perform a function check to ensure the trigger pull operates smoothly.

3. Usage:

- After installation, test the trigger pull in a safe environment.
- Familiarize yourself with the new trigger function before using the firearm in a live setting.
- Regularly check the trigger pull set for proper functioning and make adjustments as necessary.

Disposal Instructions

- Dispose of any old or unused firearm components in accordance with local regulations.
- If the 1911 Trigger Pull Set becomes damaged or nonfunctional, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

- For any questions or concerns regarding the 1911 Trigger Pull Set, please refer to the manufacturer's contact details provided with the product packaging or visit their official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your 1911 Trigger Pull Set by Ed Brown. Thank you for prioritizing safety in your firearm handling.
