

# 1911 TRIGGER PULL SET - ED BROWN 1911 TRIGGER PULL SET SS

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

These Trigger Pull Kits include the Ed Brown parts needed for superior trigger function. The machined-from-barstock hammer features a long list of custom modifications for a match-quality trigger pull without a lot of work. Sear hooks are cut to height, then precision surface ground so just a light stoning is all that's necessary to achieve a crisp, clean-breaking trigger pull. Half-cock notch is narrowed to help prevent sear damage and pin holes are CNC-machined for location; lowered strut pin hole reduces full-cock spring pressure. Narrowed spur minimizes slide drag; larger-than-factory, Commander-style opening reduces weight for a fast fall and even faster locktimes. Fully-chamfered edges eliminate sharp points that can abrade clothing and skin. Heat treated for super durability in rugged service. All machined surfaces are finished and dimensionally precise to ensure perfect fit and smooth functioning. Gunsmith installation required. The Perfection Sear is pre-fit to provide the least amount of hand work prior to installation. Primary angle is already cut; simply stone the correct relief angle and install.

## Attributes

- Name: [ED BROWN 1911 TRIGGER PULL SET SS](#)
- Manufacturer: [ED BROWN](#)
- Product no.: 087000098
- Mfr. No.: 897-KIT-2
- Delivery weight: 0.034kg
- Shipping height: 5mm
- Shipping width: 89mm
- Shipping length: 127mm
- UPC: 800732897011

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for 1911 Trigger Pull Set Ed Brown

## Introduction

Thank you for choosing the 1911 Trigger Pull Set by Ed Brown. This product is designed to enhance the performance of your 1911 firearm. It is essential to follow all safety guidelines to ensure safe and effective use. This guide provides important safety information, installation instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and ensure they are stored securely.
- Ensure that the product is used only for its intended purpose.
- Read all instructions carefully before installation and use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- If you have any questions or concerns regarding the product, please seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and the chamber is clear.
- Wear appropriate safety gear, including safety glasses and gloves, during installation.
- Be aware of the potential hazards associated with firearms, including accidental discharge and improper handling.
- Ensure that all parts are compatible with your specific model of 1911 firearm.
- Do not attempt to modify or alter the product beyond the manufacturer's specifications.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools for installation.

### 2. Installation Steps:

- Remove the existing trigger mechanism from your 1911 firearm.
- Carefully install the Ed Brown Trigger Pull Set components as follows:
  - Install the hammer, ensuring it is properly aligned.
  - Insert the sear, making sure it fits securely in place.
  - Adjust the sear hooks to the desired height using precision tools.
  - Ensure the halfcock notch is correctly positioned to prevent sear damage.
  - Check that the strut pin hole is properly lowered to reduce spring pressure.
  - Confirm that all parts are fitted snugly and securely.

### 3. Final Checks:

- After installation, perform a function check to ensure proper operation.

- Test the trigger pull for smoothness and responsiveness.
- If any issues arise, consult a qualified gunsmith before using the firearm.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, take it to a qualified waste disposal facility that handles hazardous materials.
- Do not dispose of firearms or firearm parts in regular household waste.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the 1911 Trigger Pull Set, please consult a qualified gunsmith or refer to the manufacturer's resources.

By following these guidelines, you can ensure safe and effective use of your 1911 Trigger Pull Set by Ed Brown. Thank you for your attention to safety.
