Introduction

Thank you for purchasing the Ed Brown 1911 .38 Hardcore Slide Stop. This highquality custom slide stop is designed to enhance the performance of your 1911 pistol. Please read this safety instruction guide carefully to ensure safe and proper use of your new product.

General Safety Guidelines

- Ensure that the slide stop is compatible with your specific model of 1911 pistol.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the slide stop for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and accessories.

Specific Safety Precautions for Use

- Do not attempt to install or remove the slide stop while the firearm is loaded.
- Always verify that the firearm is unloaded before performing any maintenance or modifications.
- Ensure that you are in a safe environment when working on your firearm.
- Use appropriate tools and wear safety glasses when installing the slide stop.
- If you experience any issues during installation, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool, hammer, and safety glasses.

2. Removing the Old Slide Stop:

- Locate the slide stop on your 1911 pistol.
- Use the punch tool to gently push out the existing slide stop pin.
- Carefully remove the old slide stop from the firearm.

3. Installing the Ed Brown Slide Stop:

- Align the new Ed Brown 1911 .38 Hardcore Slide Stop with the slide stop hole.
- Insert the new slide stop into place.
- Using the punch tool, carefully insert the provided 0.200inch diameter pin to secure the slide stop.
- Ensure the detent is properly seated to allow for smooth operation.

4. Final Checks:

- After installation, manually operate the slide stop to ensure it functions correctly.
- Perform a safety check to confirm the firearm is unloaded and in proper working order.

Disposal Instructions

- Dispose of any old parts or packaging materials in accordance with local regulations.

- If the product is damaged or no longer in use, ensure it is disposed of safely to prevent unauthorized use.
