

# 1911 5-PIECE TRIGGER PULL KIT - ED BROWN 1911 5 PIECE TRIGGER PULL KIT BLUED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Performance Enhancing Kits](#)

These Trigger Pull Kits include the Ed Brown parts needed for superior trigger function. The machined-from-barstock hammer features a long list of custom modifications for a match-quality trigger pull without a lot of work. Sear hooks are cut to height, then precision surface ground so just a light stoning is all that's necessary to achieve a crisp, clean-breaking trigger pull. Half-cock notch is narrowed to help prevent sear damage and pin holes are CNC-machined for location; lowered strut pin hole reduces full-cock spring pressure. Narrowed spur minimizes slide drag; larger-than-factory, Commander-style opening reduces weight for a fast fall and even faster locktimes. Fully-chamfered edges eliminate sharp points that can abrade clothing and skin. The disconnecter is designed to work with Ed Brown's Perfection Sear and Hardcore Hammer for crisp, high performance trigger jobs. Heat treated for super durability in rugged service. All machined surfaces are finished and dimensionally precise to ensure perfect fit and smooth functioning. Gunsmith installation required. The Perfection Sear is pre-fit to provide the least amount of hand work prior to installation. Primary angle is already cut; simply stone the correct relief angle and install Includes Hammer, Sear, Disconnecter, Hammer Spring, and Sear Spring.

## Attributes

- Name: [ED BROWN 1911 5 PIECE TRIGGER PULL KIT BLUED](#)
- Manufacturer: [ED BROWN](#)
- Product no.: 087000140
- Mfr. No.: 896-KIT-5
- Delivery weight: 0.016kg
- Shipping height: 25mm
- Shipping width: 70mm
- Shipping length: 140mm
- UPC: 800732896021

## Item details

Made in USA

US export classification: 0A501.c

# 1911 5Piece Trigger Pull Kit Safety Instructions

## Introduction

Thank you for choosing the 1911 5Piece Trigger Pull Kit by Ed Brown. This kit is designed to enhance the performance of your firearm while ensuring safety during installation and use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Always wear appropriate safety gear, including eye protection, when handling firearms and tools.
- Keep the workspace clean and organized to avoid accidents.
- Store the kit and all components out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of the potential hazards associated with handling firearms and their components.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or unsafe operation of the firearm.
- Use of incorrect tools or excessive force during installation can cause damage to components.
- Failure to follow instructions may result in personal injury or damage to the firearm.

### • Avoiding Hazards:

- Read and understand all instructions before beginning installation.
- Use only the tools recommended for installation to prevent damage.
- Do not attempt to modify or alter components beyond the manufacturer's specifications.
- Ensure that all components are securely installed and functioning correctly before using the firearm.

### • AgeSpecific Warnings:

- This kit is intended for use by individuals who are legally permitted to own and modify firearms. Ensure that all users are knowledgeable about firearm safety and handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure the workspace is clean and safe.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the old trigger components from the firearm following the manufacturer's instructions.
- Install the new components from the 1911 5Piece Trigger Pull Kit:
  - Insert the Hammer into the appropriate position.
  - Place the Sear in the designated location.
  - Install the Disconnecter, ensuring it is properly aligned.
  - Attach the Hammer Spring and Sear Spring according to the instructions provided.
- Perform a safety check to ensure all components are securely installed and functioning correctly.

### 3. **Testing:**

- After installation, perform a function test:
  - Ensure the trigger operates smoothly without any binding.
  - Check that the hammer falls and resets correctly.
  - Confirm that the firearm is safe and ready for use.

### 4. **Usage:**

- Always follow safe firearm handling practices when using the firearm.
- Regularly inspect the installed components for wear and proper function.

## **Disposal Instructions**

- Dispose of any old components and packaging materials in accordance with local regulations.
- Ensure that all disposed items are kept out of reach of children and unauthorized individuals.

## **Contact Information for Further Support**

- For any safety inquiries or assistance related to the 1911 5Piece Trigger Pull Kit, please contact the manufacturer or an authorized dealer.

By following these safety instructions, you can ensure a safe and effective experience with the 1911 5Piece Trigger Pull Kit. Always prioritize safety and responsible handling when working with firearms.
