

# 1911 OFFICER'S MODEL MAGAZINES - ED BROWN OFFICER'S MAGAZINE 45 ACP 7RD STAINLESS

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## A Magazine as Robust & Reliable as Your Pistol

Ed Brown's Officer's Model 1911 magazines are built to be as robust and reliable as the 1911 pistol itself. The mag body of corrosion-resistant stainless steel is heat-treat hardened to Rc 35 for exceptional strength. The seam is neatly TIG welded, and the body is carefully polished inside and out, so there's nothing to snag on the magwell OR the rounds in the mag. The feed lips are engineered for reliable feeding of traditional ball ammo, as well as hollowpoints and target rounds. Officer's Model 1911 magazines from Ed Brown have a welded-on steel base plate to minimize bulk on a concealed carry pistol. And each mag comes with a pair of screw-on rubber base pads - a thin pad to protect that mag when ejecting it on hard ground and a thicker pad for added length for easy insertion into and removal from a pistol fitted with an extended magwell. Models for .45 ACP (7-Rd) and 9mm Luger (8-Rd) pistols Sturdy 410 stainless steel body / welded-on base plate Available with natural Silver finish or non-reflective Black Nitride for extra corrosion protection Witness holes for easy monitoring of load status High tensile strength spring ensures reliable feeding & lock back of slide on last round 2 rubber base pads included with each mag All of these high-end features would give little benefit if these mags had a cheap plastic follower. Instead, Officer's Model 1911 magazines comes with a unique-design follower made from hardened STEEL (just like the mag body). The extended front skirt and anti-friction finish keep the round stack moving smoothly for reliable feeding AND full engagement of the slide stop after the last round. The Ed Brown crew has been manufacturing custom 1911s for over half a century. When it comes to extracting the full performance potential from your Officer's Model 1911, their magazines deliver!

## Attributes

- Name: [ED BROWN OFFICER'S MAGAZINE 45 ACP 7RD STAINLESS](#)
- Manufacturer: [ED BROWN](#)
- Product no.: 087000150
- Mfr. No.: 847-OF
- Capacity: 7-Round

# Safety Instruction Guide for Ed Brown Officer's Model 1911 Magazines

## Introduction

Thank you for choosing the Ed Brown Officer's Model 1911 Magazines. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your magazines. Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle magazines with care to prevent accidental injuries.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Store magazines in a secure location away from children and unauthorized users.
- Regularly inspect magazines for signs of wear or damage. Do not use damaged magazines.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

## Specific Safety Precautions for Use

- Use only .45 ACP ammunition in the Ed Brown Officer's Model 1911 Magazines.
- Avoid overloading the magazine beyond its specified capacity of 7 rounds.
- Ensure that the magazine is fully seated in the firearm before use.
- Do not attempt to modify or alter the magazine in any way.
- Keep fingers clear of the magazine well when inserting or removing the magazine.
- Always follow the manufacturer's instructions for the firearm in which the magazine will be used.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well on the firearm.
- Press the magazine firmly into the magazine well until it clicks into place.

### 2. Usage:

- Load the magazine by pressing the rounds down into the magazine until it reaches the maximum capacity of 7 rounds.
- Insert the loaded magazine into the firearm as described in the installation section.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.

### 3. Maintenance:

- Regularly clean the magazine to ensure optimal performance. Use a soft cloth to wipe the exterior and a brush to clean the interior.
- Inspect the follower and spring for any signs of wear. Replace if necessary.

## Disposal Instructions

- Dispose of magazines that are damaged or no longer functional in accordance with local regulations.
- Do not discard magazines in regular household waste. Instead, check with local authorities for proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For any inquiries, please refer to the EU contact point associated with this product. Ensure you have your product details ready for faster assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure safe and effective use of your Ed Brown Officer's Model 1911 Magazines. Always prioritize safety and be aware of your surroundings when handling firearms and accessories. Thank you for your attention to these important safety measures.
