

1911 HD™ XR FRONT SIGHT - ED BROWN 1911 HD XR FRONT SIGHT ORANGE, .330"X65X.180"

[Handgun Parts](#) > [Sights](#) > [Front Sights](#)

The Ed Brown HD XR Front Night Sight was specifically created to address the needs of tactical shooters who need a precise sight picture with high visibility in any light condition. The green tritium night sight is ringed in bright orange photo-luminescent paint. This is the ideal combination for high visibility day or night, and will retro perfectly to any Ed Brown 1911 in service. Combined with any style of plain black rear sight, this unique combination increases visibility and quickens front sight acquisition—even in transitional lighting. Green tritium lamps are warranted for 12 years from date of manufacture by Trijicon.

Safety Instruction Guide for 1911 HD™ XR Front Sight

Introduction

Thank you for choosing the Ed Brown 1911 HD XR Front Sight. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the sight is installed by a qualified gunsmith or experienced individual to avoid improper installation.
- Always handle firearms with care and respect; follow all safety protocols when using your firearm.
- Inspect the sight regularly for any signs of damage or wear. Do not use if damaged.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Familiarize yourself with the operation of your firearm, including the proper use of sights.

Specific Safety Precautions for Use

- Only use the Ed Brown 1911 HD XR Front Sight with compatible Ed Brown 1911 models.
- Avoid using the sight in extreme environmental conditions, such as heavy rain or extreme heat, which may affect visibility.
- The tritium lamps are designed for longevity; however, if you notice a significant decrease in brightness, it may be time to replace the sight.
- Do not attempt to modify or disassemble the sight, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before starting.
- Remove the existing front sight from the firearm using appropriate tools.
- Align the Ed Brown 1911 HD XR Front Sight with the sight dovetail on the slide.
- Secure the sight in place, ensuring it is firmly seated and aligned properly.
- Doublecheck the installation for any movement. If the sight is loose, repeat the installation process.

2. Usage:

- When aiming, ensure your eye is level with the sight and the target is clearly visible.
- Utilize the bright orange outline during daylight for enhanced visibility.
- In lowlight conditions, rely on the green tritium lamp for improved sight acquisition.
- Practice regularly to become familiar with the sight picture and enhance your shooting accuracy.

Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste if it is damaged or contains hazardous materials.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Ed Brown 1911 HD XR Front Sight, please reach out to the appropriate support channels available in your region.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Ed Brown 1911 HD XR Front Sight. Always prioritize safety and responsible firearm handling. Thank you for your attention and commitment to safety.
