

EXTENDED STAINLESS STEEL EJECTOR - ED BROWN EXTENDED EJECTOR, 38/9MM, STAINLESS STEEL

[Handgun Parts](#) > [Action Parts](#) > [Ejector Parts](#) > [Ejectors](#)

One of the most common causes of malfunction in the 1911 pistol is a poor extractor. Install one of these and eliminate feeding/extraction problems before they start. Fully machined from heat-treated 17-4 stainless steel for long wear and extra strength. Guaranteed for life against breakage.

Attributes

- Name: [ED BROWN EXTENDED EJECTOR, 38/9MM, STAINLESS STEEL](#)

Consumer Safety Instruction Guide for the ED BROWN EXTENDED EJECTOR

Introduction

Thank you for purchasing the ED BROWN EXTENDED STAINLESS STEEL EJECTOR. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms and their components with care and respect.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the ejector for signs of wear or damage. Replace if necessary.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the ejector with compatible firearms (1911 models).
- Do not exceed the recommended caliber specifications: 9 mm (.355.356) and 38 Super (.355.356).
- Ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid using the product if it shows signs of breakage or malfunction.
- Follow all local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

Installation

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (screwdriver, etc.).

2. Removing the Old Ejector

- Carefully disassemble the firearm according to the manufacturer's guidelines.
- Remove the existing ejector by unscrewing it from its position.

3. Installing the New Ejector

- Align the ED BROWN EXTENDED EJECTOR with the mounting position.
- Securely screw in the new ejector until it is firmly in place.
- Ensure that it is properly aligned and functions smoothly.

4. Reassembly

- Reassemble the firearm according to the manufacturer's guidelines.
- Conduct a function check to ensure that the ejector operates correctly.

Usage

- After installation, regularly check the ejector for proper function.
- If you experience any feeding or extraction issues, consult a qualified gunsmith.
- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any damaged or broken parts in accordance with local regulations.
- Do not throw away the ejector in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product functionality, please reach out to the manufacturer's customer support.

Thank you for your attention to safety. Enjoy your shooting experience with the ED BROWN EXTENDED EJECTOR!
