# M&P Slide Backplate Safety Instruction Guide

## Introduction

Thank you for choosing the M&P Slide Backplate by ED Brown. This product is designed to enhance the performance and aesthetics of your M&P® or M&P® 2.0™ firearm. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your M&P® or M&P® 2.0™ firearm before installing the backplate.
- Always handle firearms with care, treating them as if they are loaded even when they are not.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the backplate for signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the backplate if it shows signs of damage or if it does not fit securely on your firearm.
- Avoid using excessive force during installation to prevent damage to the backplate or the firearm.
- Ensure that the firearm is unloaded before attempting to install or remove the backplate.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your M&P® or M&P® 2.0™ firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools, which may include a punch tool for installation.

### 2. Removal of the Existing Backplate:

- Locate the existing backplate on the firearm slide.
- Use the punch tool to gently push out the pin holding the backplate in place.
- Carefully remove the existing backplate from the slide.

### 3. Installation of the M&P Slide Backplate:

- Align the new M&P Slide Backplate with the slide.
- Gently press the backplate into place, ensuring a snug fit.
- Replace the pin to secure the backplate, ensuring it is fully seated.

### 4. Final Checks:

- Inspect the installation to ensure the backplate is securely attached.
- Conduct a function check to verify that the firearm operates correctly with the new backplate.

### 5. Usage:

- Use your firearm in accordance with the manufacturer's instructions and guidelines.

- Regularly check the backplate for any signs of wear or looseness during routine maintenance.

## **Disposal Instructions**

- Dispose of the old backplate and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the backplate in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the M&P Slide Backplate, please refer to the manufacturer's official website or contact their customer service for assistance.

Thank you for following these safety instructions. Your safety and the safety of others is our top priority. Always practice safe handling and use of firearms.
