Safety Instruction Guide for S&W M&P Pin Kits by ED Brown

Introduction

Thank you for choosing the S&W M&P Pin Kits by ED Brown. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the product and contact the manufacturer for support.
- Be aware of your surroundings while using the product to prevent accidents.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection, when handling or installing the pin kits.
- Ensure that the firearm is unloaded and pointed in a safe direction before installing the pins.
- Do not force any components during installation; if it does not fit, stop and reassess.
- Follow all local laws and regulations regarding firearm modifications and safety.
- Avoid using the product in wet or humid conditions to prevent corrosion.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have all components of the kit: one grooved rear frame pin, one front frame pin, and one trigger pin.
- Gather necessary tools for installation, such as a punch tool and hammer.

2. Installation:

- Remove the existing roll pins from the firearm carefully using the punch tool.
- Align the new pins with the corresponding holes in the frame.
- Gently tap the pins into place using the hammer, ensuring they are seated securely.
- Doublecheck that all pins are installed correctly and are flush with the frame.

3. Usage:

- After installation, conduct a thorough function check of the firearm to ensure proper operation.
- Store the firearm in a secure location when not in use, following all safety protocols.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the product in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or support regarding this product, please refer to the official manufacturer's website or contact their customer service directly.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your S&W M&P Pin Kits by ED Brown. Always prioritize safety and compliance with local laws when handling firearms and their components. Thank you for your attention to these important safety practices.
