# S&W M&P Recoil Springs Safety Instruction Guide

## Introduction

Thank you for choosing the S&W M&P Recoil Springs by ED BROWN. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your recoil spring. Please read this document carefully to ensure a safe and effective experience.

## General Safety Guidelines

- Always ensure that you are using the recoil spring that is compatible with your specific M&P model.
- Inspect the recoil spring for any signs of wear or damage before each use.
- Follow all manufacturer's instructions and recommendations for installation and usage.
- Store the recoil spring in a cool, dry place away from direct sunlight and moisture.
- Keep the recoil spring out of reach of children and unauthorized individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only recommended ammunition types as specified by the manufacturer to avoid malfunctions.
- Avoid using the recoil spring with excessive force or in a manner not intended by the manufacturer.
- If you experience any malfunctions or unusual behavior while using your firearm, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Remove the slide from the firearm according to the manufacturer's instructions.
- Carefully remove the old recoil spring from the slide.
- Inspect the new recoil spring for any defects before installation.
- Install the new S&W M&P recoil spring by aligning it correctly within the slide.
- Reassemble the firearm and ensure all components are securely in place.

### 3. Usage:

- Test the firearm in a safe environment to ensure proper operation of the recoil spring.
- Monitor the performance of the recoil spring during use. If any issues arise, stop using the firearm immediately.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations regarding metal waste.
- Do not throw the recoil spring in regular trash; consider recycling options where available.
- Ensure that the recoil spring is out of reach of children and pets during disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your responsible usage contributes to a safer environment for all.
