

1911 SOLID BARREL BUSHING - GOVERNMENT BARREL BUSHING, SS, DI

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Bushings](#)

Long-Wearing, Solid Steel Increases Accuracy

Machined, steel, barrel bushings provide a tight, slide to barrel fit; available in both Government and Commander. Heat treated and hardened for outstanding durability. Drop-In - Close, drop-in fit on Colt slides. Requires no fitting with Ed Brown Barrel and Colt slides. Other brands may require minor fitting. Oversize - Requires turning of O.D., and reaming of I.D., to achieve a true match fit. Commander available in Drop-In, Stainless Steel only.

Safety Instruction Guide for 1911 Solid Barrel Bushing

Introduction

Thank you for choosing the 1911 Solid Barrel Bushing. This guide provides important safety information, installation instructions, and usage guidelines to ensure your safety and the proper functioning of the product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the barrel bushing as it is a nonfood product. Follow all guidelines to minimize risks.
- **Enhanced Recalls:** Be aware of any recall notices. If a recall occurs, you may be entitled to free remedies for dangerous products.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Installation:** Ensure that the barrel bushing is installed correctly to prevent damage to the firearm.
- **Fitting:** If using with brands other than Colt, minor fitting may be required. Consult a professional gunsmith if unsure.
- **Oversize Usage:** When using the oversize bushing, ensure proper turning and reaming to achieve a match fit.
- **Inspection:** Regularly inspect the barrel bushing for signs of wear or damage. Do not use if damaged.
- **Handling:** Always handle the firearm safely and responsibly, following all applicable laws and regulations.
- **Storage:** Store the barrel bushing in a cool, dry place away from children and unauthorized users.

Instructions for Installation and Usage

1. **Preparation:** Ensure you have the necessary tools for installation, including a wrench and any required fittings.
2. **Remove Existing Bushing:**
 - Ensure the firearm is unloaded.
 - Remove the slide from the frame.
 - Use a wrench to unscrew the existing barrel bushing.
3. **Install the New Bushing:**
 - If using the DropIn (DI) option, align the bushing with the slide and gently push it into place.
 - For Oversize (OS) bushings, ensure the O.D. is turned and the I.D. is reamed to achieve a proper fit before installation.
4. **Reassemble the Firearm:**
 - Once the new bushing is installed, reattach the slide to the frame.
 - Check for smooth operation and alignment.
5. **Testing:**
 - Conduct a function check to ensure everything operates correctly before use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the barrel bushing is damaged or no longer usable, follow local guidelines for the disposal of metal products.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the 1911 Solid Barrel Bushing, please refer to the manufacturer or your point of purchase for assistance.
