Safety Instruction Guide for 1911 TWOPIECE GUIDE ROD

Introduction

Thank you for choosing the 1911 TWOPIECE GUIDE ROD. This product is designed to enhance the performance of your firearm by providing a reliable and durable guide rod solution. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Inspect the guide rod regularly for signs of wear or damage before each use.
- Do not modify the guide rod in any way, as this may compromise safety and performance.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is unloaded before installing or adjusting the guide rod.
- Avoid using the guide rod if it shows signs of damage, such as bending or cracking.
- Use only compatible recoil springs with the 1911 TWOPIECE GUIDE ROD.
- Follow the manufacturer's recommendations for maintenance and care.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing guide rod and recoil spring from the firearm.
- Insert the new 1911 TWOPIECE GUIDE ROD into the recoil spring housing.
- Ensure the guide rod is properly seated and aligned.
- Reinstall the recoil spring and ensure it is securely in place.
- Use the included guide rod plug to secure the assembly.

2. Usage:

- After installation, perform a function check to ensure the firearm operates smoothly.
- Regularly clean and lubricate the guide rod as part of your firearm maintenance routine.
- Monitor the performance of the guide rod during use; if any issues arise, stop using the firearm immediately.

Disposal Instructions

- Dispose of the guide rod and any packaging materials in accordance with local regulations.
- Do not dispose of the guide rod in regular household waste if it is damaged or no longer usable.
- Check with local authorities for proper recycling or disposal methods for metal products.

Contact Information for Further Support

For any questions or concerns regarding the 1911 TWOPIECE GUIDE ROD, please contact the manufacturer or your local authorized dealer. Ensure you have the product information ready for a more efficient response.

Thank you for prioritizing safety and compliance while using the 1911 TWOPIECE GUIDE ROD. Your responsible handling contributes to a safer environment for everyone.
