# 1911 TwoPiece Guide Rod Safety Instructions

## Introduction

Thank you for choosing the 1911 TwoPiece Guide Rod by Ed Brown. This product is designed to enhance the performance of your Commander 4 1/4" pistol by providing a reliable and efficient recoil spring guide rod. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the guide rod.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the guide rod and firearm in a secure location, away from children and unauthorized users.
- Inspect the guide rod regularly for any signs of wear or damage.
- If you experience any issues with the guide rod or your firearm, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Do not attempt to modify the guide rod or any part of the firearm.
- Use only compatible recoil springs with the guide rod to avoid malfunction.
- Ensure that the guide rod is properly installed before using the firearm.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing guide rod from the firearm.
- Insert the Ed Brown TwoPiece Guide Rod into the recoil spring housing, ensuring it is aligned correctly.
- Secure the guide rod plug in place according to the manufacturer's instructions.
- Use the included 5/32" Allen wrench to tighten any necessary screws or fasteners.

### 2. Usage

- After installation, perform a function check to ensure the guide rod is operating correctly.
- Test the firearm with dummy rounds to ensure smooth cycling.
- When ready to use, load the firearm according to your usual procedures.
- Fire the firearm only in a controlled and safe environment.

## Disposal Instructions

- Dispose of the guide rod in accordance with local regulations for metal waste.
- Do not dispose of the guide rod in regular household trash.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 TwoPiece Guide Rod, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 1911 TwoPiece Guide Rod. Thank you for your attention to safety and responsible firearm ownership.
