# Safety Instruction Guide for 1911 Competition Mainspring by Ed Brown

## Introduction

Thank you for choosing the 1911 Competition Mainspring by Ed Brown. This product is designed to enhance the performance of your 1911 firearm, providing a reliable and consistent ignition. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that your firearm is unloaded before installing or replacing the mainspring.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mainspring for wear or damage.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or unsafe operation of the firearm.
- Using a mainspring that is not suited for your specific model may compromise safety.

### • Instructions to Avoid Hazards:

- Always ensure you are using the mainspring compatible with your firearm model (Government or Commander).
- Follow the installation instructions carefully to avoid incorrect assembly.
- Use only factoryapproved components for maintenance and repairs.

### • AudienceSpecific Warnings:

- This product is intended for adult users only. Keep it away from children and those unfamiliar with firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm as per the manufacturer's guidelines.
- Remove the old mainspring carefully, taking note of its orientation.
- Install the new 1911 Competition Mainspring by reversing the removal process, ensuring it is seated correctly.
- Reassemble the firearm, ensuring all components are secure.
- Conduct a function check to ensure the firearm operates correctly.

### 2. Usage:

- Use the firearm only in a safe and controlled environment.
- Regularly check the mainspring and other components for signs of wear or damage.

- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the mainspring and any packaging materials in accordance with local regulations.
- Do not dispose of the mainspring in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of the 1911 Competition Mainspring, please contact the manufacturer directly. Ensure to have your product details and any relevant information ready for the support team.

Thank you for prioritizing safety and for your commitment to responsible firearm ownership.
