

# 1911 SOLID BARREL BUSHING - ED BROWN GOVERNMENT BARREL BUSHING, SS, OS

[Handgun Parts](#) > [Barrel Parts](#) > [Barrel Bushings](#)

## Long-Wearing, Solid Steel Increases Accuracy

Machined, steel, barrel bushings provide a tight, slide to barrel fit; available in both Government and Commander. Heat treated and hardened for outstanding durability. Drop-In - Close, drop-in fit on Colt slides. Requires no fitting with Ed Brown Barrel and Colt slides. Other brands may require minor fitting. Oversize - Requires turning of O.D., and reaming of I.D., to achieve a true match fit. Commander available in Drop-In, Stainless Steel only.

# Safety Instruction Guide for the 1911 Solid Barrel Bushing Ed Brown Government Barrel Bushing

## Introduction

Thank you for choosing the 1911 Solid Barrel Bushing Ed Brown Government Barrel Bushing. This guide provides important safety information, installation instructions, and usage guidelines to ensure your safety and the proper function of the product. Please read this document carefully before use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before attempting to install or adjust the barrel bushing.
- Inspect the barrel bushing for any signs of damage or wear before each use.
- Use only compatible firearms and components as specified in the product description.
- Keep the barrel bushing out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to firearm malfunction, which could result in injury or damage.
- **Avoiding Hazards:**
  - Do not attempt to modify the barrel bushing beyond its intended use.
  - Ensure that all components are clean and free of debris before installation.
  - Always wear appropriate eye protection when handling firearms.
- **Audience Specific Warnings:** This product is intended for experienced firearm users. It is not suitable for individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the slide from the frame of the firearm according to the manufacturer's instructions.
- Carefully remove the existing barrel bushing if applicable.
- Insert the Ed Brown barrel bushing into the slide, ensuring it is properly aligned.
- If using the Oversize version, turning of the O.D. and reaming of the I.D. may be required for a true match fit.
- Reattach the slide to the frame of the firearm and ensure it operates smoothly.

### 2. Usage Guidelines:

- After installation, conduct a function check to ensure that the slide operates smoothly and that the barrel bushing is securely in place.
- Store the firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of the barrel bushing and any packaging materials in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.

## **Contact Information for Further Support**

For any questions regarding the safety and use of the 1911 Solid Barrel Bushing Ed Brown Government Barrel Bushing, please refer to the manufacturer's website or contact the customer service department directly.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your 1911 Solid Barrel Bushing Ed Brown Government Barrel Bushing. Always prioritize safety and refer to this guide as needed. Thank you for your attention to these important safety guidelines.
