Safety Instruction Guide for the 1911 Match Extractor

Introduction

Thank you for choosing the 1911 Match Extractor, manufactured by ED BROWN. This guide provides essential safety instructions to ensure the safe and effective use of the extractor. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the extractor is used only with compatible models (Government, Commander, Officers).
- Always handle firearms with care and follow safe handling practices.
- Keep the extractor and any firearm components out of reach of children and unauthorized users.
- Regularly inspect the extractor for wear and damage. Do not use if damaged.
- Report any unsafe product issues or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the extractor with .45 ACP caliber firearms.
- Ensure that the firearm is unloaded before installing or handling the extractor.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the extractor or the firearm in any unauthorized way.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools for installation, including a gunsmithing toolset.

2. Installation

- Remove the old extractor from the firearm following the manufacturer's instructions.
- Align the new 1911 Match Extractor with the firing pin block cut.
- Securely install the extractor, ensuring it is properly seated.

3. Usage

- After installation, test the extractor function with dummy rounds to ensure proper engagement.
- Regularly clean and maintain the extractor to ensure reliable performance.

4. PostInstallation Check

- After installation, perform a function check of the firearm to ensure safe operation.
- If any issues arise, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any damaged or worn extractors in accordance with local regulations.
- Do not discard in regular household waste. Check for local hazardous waste disposal guidelines.

Contact Information for Further Support

For safety inquiries or support regarding the 1911 Match Extractor, please refer to the relevant contact points provided by your retailer or manufacturer.

By following these safety instructions, you can ensure the safe use of the 1911 Match Extractor. Always prioritize safety and compliance with local regulations when handling firearms and firearm components.
