1911 Match Extractor Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Match Extractor. This product is designed to enhance the performance of your 1911 Auto firearm. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and responsibility.
- Ensure that the firearm is unloaded before installation or maintenance.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Keep this product out of reach of children and unauthorized individuals.
- Regularly inspect your firearm and its components for wear and damage.

Specific Safety Precautions for Use

- Use only with compatible models: Government, Commander, and Officers.
- Ensure that the extractor is installed correctly to avoid malfunctions.
- Do not modify the extractor in any way, as this may compromise safety and reliability.
- Use appropriate ammunition: 38/357 Caliber (.357.359) and 9 mm (.355.356).
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is completely unloaded.
- Gather necessary tools for installation, including a punch and hammer.

2. Installation Process

- Remove the existing extractor from your firearm using the punch to drive out the retaining pin.
- Carefully install the 1911 Match Extractor by aligning it with the extractor slot.
- Reinsert the retaining pin to secure the extractor in place.
- Confirm that the extractor is seated properly and functions smoothly.

3. Usage

- Load your firearm with the appropriate ammunition.
- Follow standard operating procedures for your firearm during usage.
- Regularly check the extractor for proper function after each use.

Disposal Instructions

- Dispose of this product in accordance with local regulations for firearm components.
- Do not dispose of in regular household waste.
- Consider recycling if applicable, or consult a local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Match Extractor, please refer to your local firearm dealer or manufacturer's representative for assistance. Ensure to have your product details handy for efficient support.

Conclusion

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of your 1911 Match Extractor. Always prioritize safety and responsible handling of firearms. Thank you for your attention to these important safety measures.
