Safety Instruction Guide for the 1911 Match Extractor ED Brown Match Extractor, Series 80, .40 S&W/10MM

Introduction

Thank you for choosing the 1911 Match Extractor ED Brown Match Extractor, Series 80, .40 S&W/10MM. This guide provides essential safety information and instructions for the proper use and maintenance of this product. It is important to follow these guidelines to ensure safe and effective operation.

General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that the extractor is compatible with your specific model of 1911 Auto (Government, Commander, Officers).
- Inspect the extractor regularly for any signs of wear or damage.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure proper safety measures are in place when using firearms.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the extractor with .40 S&W or 10MM caliber ammunition as specified.
- Ensure that the firearm is unloaded before installing or replacing the extractor.
- Do not attempt to modify the extractor or use it in a manner other than intended.
- Follow all local laws and regulations regarding firearm use and modifications.
- If you experience any malfunctions during operation, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools for installation, including a punch and hammer.
- Make sure the firearm is completely unloaded and pointed in a safe direction.

2. Installation

- Remove the slide from the frame of the 1911 Auto.
- Locate the existing extractor and remove it by gently tapping out the retaining pin with a punch.
- Carefully install the 1911 Match Extractor by reversing the removal process. Ensure it is seated properly.
- Reinsert the retaining pin and ensure it is secure.

3. Usage

- Load the firearm with .40 S&W or 10MM ammunition as per standard operating procedures.
- Test the extractor by performing a function check. Ensure that it smoothly engages the rim edge of the cartridge.
- Fire the firearm in a safe environment, ensuring all safety measures are followed.

4. PostUse Care

- Clean the extractor and surrounding areas after use to maintain optimal performance.
- Store the firearm and extractor in a secure location when not in use.

Disposal Instructions

- Dispose of the extractor in accordance with local regulations for metal products.
- Do not dispose of the extractor in regular household waste.
- If the extractor is damaged or no longer usable, consult local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the EUbased contact point provided by your retailer or manufacturer. They will assist you with any questions or concerns related to the 1911 Match Extractor.

By following these safety instructions, you can ensure the safe and effective use of the 1911 Match Extractor ED Brown Match Extractor, Series 80, .40 S&W/10MM. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
