## Slender, Trimmed-Down Thumb Pads For Carry-Style Guns

EXTENDED CARRY THUMB SAFETY FOR 1911 Thinner thumb pads with the famous Ed Brown angle and slope. Works with the natural, sweeping motion of the thumb for a faster, easier safety release. Trimmed down style is lighter and more comfortable when used on concealed carry guns or with full coverage holsters. Meets all requirements for U.S.P.S.A. Limited Class. SPECS: Available in blued and stainless steel (S/S), right handed. Contact area: .150" (3.8mm) wide, 1" (2.5cm) long. Gunsmith fitting required.

# Safety Instruction Guide for the Extended Carry Thumb Safety for 1911 Ed Brown Carry

## Introduction

Thank you for choosing the Extended Carry Thumb Safety for your 1911 Ed Brown Carry. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm model (Government, Commander, Officers).
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the product out of reach of children and unauthorized users.
- Inspect the safety before use to ensure it is functioning correctly.
- Familiarize yourself with the operation of your firearm and the specific safety features of the Extended Carry Thumb Safety.

## Specific Safety Precautions for Use

- Use the safety only as intended for the 1911 platform.
- Always engage the safety when the firearm is not in use to prevent accidental discharge.
- Avoid applying excessive force when operating the thumb safety; it is designed for smooth operation.
- Do not modify the safety or firearm in ways that are not recommended by the manufacturer.
- If you notice any malfunction or unusual wear, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure that the firearm is unloaded and in a safe condition. Remove any ammunition from the vicinity.
2. **Remove the Old Safety:**
  - Use appropriate tools to disassemble the firearm according to the manufacturer's instructions.
  - Carefully remove the existing thumb safety.
3. **Install the New Thumb Safety:**
  - Align the Extended Carry Thumb Safety with the safety slot on the firearm.
  - Insert the safety and ensure it is seated correctly.
  - Reassemble the firearm according to the manufacturer's instructions.
4. **Gunsmith Fitting Required:** It is advisable to have a qualified gunsmith perform the fitting for optimal safety and performance.

### Usage Instructions

- To engage the safety, push the thumb safety down until it clicks into place.
- To disengage the safety, use your thumb to push the safety up. Ensure that your grip is secure on the firearm.
- Practice operating the safety in a safe environment to become accustomed to its function.

## Disposal Instructions

- Dispose of any old parts or packaging in accordance with local regulations.
- Ensure that any disposed items do not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the Extended Carry Thumb Safety, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

## **Conclusion**

Following these safety instructions will help ensure your safety and the proper functioning of the Extended Carry Thumb Safety. Always prioritize safety when handling firearms and keep informed about the proper use and maintenance of your equipment. Thank you for your attention to these important guidelines.
