# Safety Instruction Guide for 1911 Magazine Bumper Pad Ed Brown ScrewOn Bumper Pads, 6Pak

## Introduction

Thank you for choosing the 1911 Magazine Bumper Pad Ed Brown ScrewOn Bumper Pads. This guide provides essential safety information, installation instructions, and usage recommendations to ensure safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the bumper pads are compatible with Ed Brown 7round magazines.
- Regularly inspect the bumper pads for any signs of wear or damage.
- Do not use damaged or worn bumper pads, as they may compromise the safety and functionality of the magazine.
- Keep all packaging materials and instructions for future reference.
- Store the bumper pads in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Always handle firearms with care and ensure they are unloaded before installing or removing bumper pads.
- Keep the bumper pads out of reach of children and unauthorized individuals.
- Use only the screws provided with the bumper pads to ensure a secure fit.
- Avoid overtightening the screws, as this may damage the bumper pad or the magazine.
- If you experience any difficulties during installation, consult a qualified gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a screwdriver suitable for 440 screws.
- Ensure you have a clean, flat workspace to perform the installation.

### 2. Removing the Old Pad

- If applicable, remove the existing bumper pad from the magazine by unscrewing the screws with the screwdriver.
- Dispose of the old pad responsibly.

### 3. Installing the New Bumper Pad

- Align the new bumper pad with the magazine, ensuring the holes are properly positioned.
- Insert the provided 440 screws into the holes of the bumper pad.
- Use the screwdriver to tighten the screws gently. Ensure they are snug but do not overtighten.

### 4. Final Check

- Inspect the installation to ensure the bumper pad is securely attached.
- Test the magazine to ensure it seats correctly in the firearm.

## 5. Usage

- When inserting the magazine into the firearm, ensure it locks into place securely.
- Regularly check the bumper pad for any signs of wear or loosening.

## Disposal Instructions

- Dispose of any old or damaged bumper pads in accordance with local waste disposal regulations.
- Do not incinerate plastic components, as they may release harmful substances when burned.

## Contact Information for Further Support

For any inquiries or concerns regarding product safety or installation, please refer to the manufacturer's contact information included with your product packaging.
