

# 1911 BOBTAIL MAINSPRING HOUSING - SMOOTH, BLUE

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

## Reduced Bulk For Concealed Carry Guns

Eliminates the sharp profile at the rear of the grip that can “print” when carrying a concealed 1911 Auto. Reduces bulk without reducing magazine capacity or performance. Removes nearly  $\frac{1}{2}$ ” of material from the butt while maintaining correct grip position. Will require modification of grip panels. Choose from Smooth, Checkered (25 lpi), Snakeskin, Chainlink, or Chainlink II patterns. Includes mainspring, cap, and retaining pin. All internal parts are officer's model size.

# Safety Instruction Guide for 1911 Bobtail Mainspring Housing Smooth, Blue

## Introduction

Thank you for purchasing the 1911 Bobtail Mainspring Housing Smooth, Blue. This product is designed to enhance the comfort and usability of your 1911 Auto while maintaining essential performance standards. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or modifying any parts.
- Handle all firearms with care, following standard safety practices.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the mainspring housing for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the grip panels are properly modified and securely attached after installation.
- Be cautious of sharp edges during installation to avoid cuts or injuries.
- Always wear protective gloves when handling tools and parts during installation.
- Do not attempt to modify the mainspring housing beyond the recommended specifications.
- Verify that all internal parts are correctly sized for your officer's model to prevent malfunction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the mainspring housing, grip panels, and a retaining pin.
- Ensure your firearm is unloaded and in a safe environment for modification.

### 2. Removing the Old Mainspring Housing:

- Carefully remove the existing mainspring housing from your 1911 Auto.
- Take note of how the old housing is installed for reference.

### 3. Installing the New Mainspring Housing:

- Align the new mainspring housing with the grip frame of the firearm.
- Insert the retaining pin to secure the mainspring housing in place.
- Ensure that the mainspring housing is flush with the grip frame and properly seated.

### 4. Modifying Grip Panels:

- If necessary, modify your grip panels to fit the new mainspring housing.
- Ensure that the grip panels are securely attached and do not interfere with the operation of the firearm.

### 5. Final Inspection:

- Inspect the installation to ensure that all components are correctly positioned and secured.

- Test the grip and ensure that it feels comfortable and secure.

## 6. **Usage:**

- After installation, use your firearm in accordance with standard safety practices.
- Regularly check the mainspring housing and grip panels for wear or damage.

## **Disposal Instructions**

- Dispose of any old or unused parts in accordance with local regulations.
- Ensure that all components are disposed of in a safe manner to prevent environmental harm.
- Consider recycling metal parts where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation or safety of the 1911 Bobtail Mainspring Housing Smooth, Blue, please contact your local dealer or manufacturer's support team. They can provide additional guidance and assistance.

Thank you for prioritizing safety while using your 1911 Bobtail Mainspring Housing Smooth, Blue. Your attention to these guidelines ensures not only your safety but also the safety of those around you.
